

# Lizzy Girls Temperament Assessment

[Lizzy Girls Play Video](#)

Date of Birth: 4/30/2026

## Lizzy Litter Temperament Overview:

This litter is a beautiful blend of Lizzy and Harvey, bringing together **gentle, affectionate temperaments with playful, engaging personalities**. These puppies are naturally **very people-oriented**, thriving on connection and interaction, and genuinely prefer companionship over independence.

Overall, the litter is **sweet, personable, playful, and emotionally connected**, with a notably calm and gentle approach to handling. They are incredibly affectionate puppies who truly enjoy closeness, often leaning into interaction and forming **deep, meaningful bonds with their people**.

While a few may take a brief moment to adjust in new environments, they settle quickly and open up into **soft, engaging, and loving companions**. Confidence varies slightly within the group, with **Pink being the most confident and interaction-driven**, while **Red follows closely behind with a slightly softer start**, though still very sweet and engaging.

Energy levels are **consistently mid-level**, with natural excitement when seeking or maintaining attention, followed by a calm and easy settle. These puppies will thrive in homes looking for a **true companion dog—one that is affectionate, intuitive, and deeply connected to their people**.

---

## Lizzy Pink

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid Level
- **Personality:** Lizzy Pink is the most confident and interaction-driven puppy in the litter, with a naturally engaging and people-focused personality. She actively seeks connection and truly enjoys being involved, showing strong responsiveness and enthusiasm for interaction.

She is incredibly people-oriented, intuitive, and emotionally aware, consistently working to build connection and engagement. She thrives on interaction and forms deep, meaningful bonds, making her an exceptional companion-type puppy with strong emotional awareness and connection to her people.

- **Physical Evaluation:** Teeth are slightly delayed in development, which is common at this age and will continue to be monitored.

---

## **Lizzy Red**

- **Energy Level:** Mid Level
- **Personality:** Lizzy Red is a sweet, balanced, and gently engaging puppy who may take a brief moment to fully settle into new environments. She is not fearful, just slightly softer in her initial approach compared to Pink.

Once comfortable, she becomes affectionate, curious, and quietly engaging, building connection in a calm and genuine way. She forms strong bonds over time and becomes a very loving and rewarding companion as her confidence continues to grow.

- **Physical Evaluation:** Teeth are slightly delayed in development, which is common at this age and will continue to be monitored.

# Meet the Parents

## Lizzy x Harvey — Parent Overview

**Lizzy** is a very sweet, gentle, and easygoing girl with a soft and thoughtful nature. She can become a bit reserved when overwhelmed, but once she feels comfortable, her playful, bubbly, funny, and loving personality shines through. Lizzy is happiest when she's included and connected with her people, happily going along for whatever the day brings.

**Breed:** Mini Poodle

**Weight:** 9lbs

**Harvey** is outgoing, gentle, and absolutely overflowing with personality. Much like Lizzy, he cares more about the invitation than the adventure itself—so long as he gets to be part of it, he's happy. Harvey is playful, intelligent, and naturally engaging, making him a favorite character around the nursery thanks to his charm and social nature.

**Breed:** F1 Schnoodle

**Weight:** 12lbs

**Together,** Lizzy and Harvey are expected to produce puppies that are deeply people-oriented and highly connected to their families. While some puppies may be a little slower to warm up initially, once comfortable they are expected to be sweet, gentle, affectionate, bubbly, and playful companions. We anticipate mid-level energy and adaptable temperaments that should fit beautifully into a wide variety of home environments.
