

# Myra Girls Temperament Assessment

[Myra Girls Play Video\(Pink, PD, RD\)](#)

[Myra Girls Play Video\(Red, White, WD\)](#)

Date of Birth: 5/4/2026

## Myra Litter Temperament Overview:

Myra is an outgoing, affectionate, and playful girl who approaches everything in life with enthusiasm and full engagement. Whether she's playing, cuddling, or seeking attention, she gives it her all. Maxwell complements her perfectly with his equally affectionate, energetic, and people-driven personality—thriving on interaction in any form. Together, they have produced a litter that is incredibly people-focused, engaging, and eager to connect.

This litter is **curious, confident, sweet, and highly interactive**, with a natural desire to be involved in whatever their people are doing. They are self-assured without being overwhelming, and their bubbly, affectionate personalities make them extremely endearing. Energy levels are **mid level to mid to moderate**, typically rising with interaction and settling once their engagement needs are met. These puppies will do best in homes that are **very interactive, engaging, and involved with them**.

---

## Myra **Pink**

### POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Moderate

- **Personality:**

Pink is a highly confident, engaging, and affectionate puppy who thrives on interaction and connection. She is very people-driven and actively seeks out attention, often with an enthusiastic and slightly pushy approach that reflects her strong desire to be involved. Her playful, curious, and focused nature makes her both fun and highly interactive. She handles well overall, though she can be a bit wiggly simply due to excitement.

She is incredibly people-oriented, intuitive, and deeply driven to build strong, lasting bonds with her people. Her natural engagement, responsiveness, and connection make her an excellent candidate for service, therapy, or emotional support work.

- **Physical Evaluation:** No health concerns noted.

---

## **Myra Red**

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid Level (rises with interaction)

- **Personality:**

Red is a sweet, affectionate, and people-loving puppy who may take a moment to settle into new environments but adjusts nicely with a little time. She carries a calm, self-assured demeanor once comfortable and shows a strong desire to connect and engage with her people. She is gentle, tolerant, and very respectful with handling, making her an easy and pleasant puppy to work with. While she may initially show a touch of hesitation, her affectionate and social personality comes through clearly once she feels secure.

She is incredibly people-oriented, intuitive, and naturally seeks connection, forming strong and meaningful bonds with those around her. Her gentle engagement style and desire for closeness make her a lovely candidate for therapy or emotional support roles.

- **Physical Evaluation:**

Puppy has a mild underbite. This is very minor and will likely correct as they continue to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

---

## Myra White

### POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Moderate

- **Personality:**

White is a confident, affectionate, and highly engaging puppy who loves being involved with her people. She is self-assured and interactive, often approaching situations with enthusiasm and curiosity. Like Pink, she is very people-oriented and thrives on attention and engagement. She may get a bit wiggly with handling simply due to excitement, but remains tolerant and responsive overall.

She is incredibly intuitive, people-focused, and naturally driven to connect, forming strong emotional bonds and showing a deep desire to stay engaged with her person. Her personality and engagement level make her a strong candidate for service or therapy pathways.

- **Physical Evaluation:**

Puppy has a mild underbite. This is very minor and will likely correct as they continue to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

---

## **Myra** **Pink Dot**

### POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid Level (rises with interaction)

- **Personality:**

Pink Dot is a sweet, affectionate, and people-loving puppy who may take a moment to adjust in new situations but settles in nicely with time. She is gentle, tolerant, and very respectful during handling, showing a calm and balanced demeanor once comfortable. She enjoys interaction and connection without being overwhelming, making her a lovely middle-ground personality.

She is very people-oriented and naturally inclined to form strong, meaningful bonds, showing a thoughtful and intuitive connection style. With continued confidence growth, she has nice potential for therapy or emotional support roles.

- **Physical Evaluation:**

Puppy has a mild underbite. This is very minor and will likely correct as they continue to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

---

## **Myra Red Dot**

- **Energy Level:** Mid Level

- **Personality:**

Red Dot is a more sensitive and thoughtful puppy who was unsure during the evaluation and will benefit from time and patience to fully settle into her environment. She shows a gentle and tolerant nature, even while slightly tense, and has the foundation to become a very sweet and engaging companion once her confidence builds. Her personality is expected to open up significantly as she becomes more comfortable.

- **Physical Evaluation:** No health concerns noted.

---

## **Myra White Dot**

- **Energy Level:** Mid Level

- **Personality:**

White Dot is another puppy who benefits from a slower approach and time to adjust. She may initially present as unsure, but shows a sweet and engaging nature once she begins to settle. She is tolerant with handling and has a balanced foundation that will continue to develop as her confidence grows. With the right environment, she is expected to become a very affectionate and personable companion.

- **Physical Evaluation:** No health concerns noted.

**MEET THE PARENTS!**

# Meet The Parents

## Myra x Maxwell — Parent Overview

**Myra** is an outgoing, engaging, playful, and affectionate girl who does just about everything at full throttle. Whether she's playing, running, seeking attention, or cuddling with all 13 pounds of herself, Myra puts her whole heart into it. Her enthusiasm for life and deep love for people make her an incredibly fun and interactive companion.

**Breed:** F1 Schnoodle

**Weight:** 13lbs

**Maxwell** shares much of that same spirit. He is affectionate, energetic, and very outgoing, with a singular focus in life: interaction. Maxwell doesn't particularly care what activity is taking place as long as a person is involved. He will happily do whatever it takes to gain and maintain your attention, bringing enthusiasm and connection to every interaction.

**Breed:** Poodle

**Weight:** 12lbs

**Together**, Myra and Maxwell are expected to produce puppies that closely mirror their parents—outgoing, affectionate, playful, and highly engaging. Above all else, we anticipate puppies that are completely enamored with their people and thrive on connection. Energy levels will likely fall in the mid to moderate range, occasionally pushing toward moderate when excitement is high. This litter should be an excellent fit for homes that enjoy a very interactive and involved relationship with their dog.
