Date of Birth: 4/13/2026

## Vada Litter Temperament Overview:

The Vada x Orion litter is an exceptionally affectionate, confident, and highly people-driven group that consistently reflects exactly what we aim to produce. These puppies are very social, engaging, and naturally motivated by interaction, often going out of their way to gain and maintain attention in a sweet and appropriate manner. They are playful, silly, and full of personality, while still remaining well-balanced and easy to work with.

Across the board, this litter shows strong early confidence without being overwhelming, excellent tolerance for handling, and a natural desire to bond closely with their people. Energy levels range from mid to mid-moderate, with most puppies becoming more animated during interaction while still settling appropriately.

Overall, this is a very consistent, trainable, and adaptable litter with multiple puppies showing early potential for service, therapy, or emotional support roles. They will thrive in homes that want a loving, engaged companion that is truly part of everyday life.

## Vada Red

### POTENTIAL SERVICE + THERAPY + ALERT CANDIDATE

- **Energy Level: Mid to Moderate**
- **Personality:** Vada Red is an exceptionally engaging, confident, and highly people-driven puppy with a big personality and an even bigger desire to connect. She is very affectionate, playful, and expressive, often going out of her way to gain and maintain attention. Her engagement level is extremely strong, and she forms quick, meaningful connections with people. While she can be slightly pushy in her pursuit of interaction, it is driven by her enthusiasm and desire to be involved rather than anything negative. She settles beautifully when handled and shows a great ability to transition between play and calmness. Her energy level falls in the mid to moderate range, rising with excitement and interaction while remaining manageable overall. With her confidence, focus, and incredible human connection, she shows outstanding early potential for service, therapy, or alert-style work. She will thrive in a home that is highly interactive and enjoys a very involved, engaging companion.

# Meet the Parents

## Vada x Orion — Parent Overview

**Vada** is an outgoing, affectionate, confident, and downright hilarious girl. She is overflowing with a sweet, goofy personality that keeps everyone around her entertained—you truly never know what she's going to do next (and honestly, she probably doesn't either). Vada brings a joyful, unpredictable charm that makes her incredibly lovable and engaging.

**Breed:** F2 Goldendoodle

**Weight:** 24lbs

**Orion** is like a more polished version of that same spirit. He is sweet, affectionate, engaging, and outgoing, with a deep love for people and an impressive drive to gain and maintain your attention. Playful, cuddly, energetic, and intelligent, Orion channels all of these traits into building connection and interaction with those around him.

**Breed:** Mini Poodle

**Weight:** 9.6lbs

**Together**, Vada and Orion are expected to produce puppies that are sweet, affectionate, outgoing, and full of goofy personality. We anticipate mid to moderate energy levels and puppies that will go out of their way to gain and keep your attention. This litter should be an incredible fit for homes looking for a dog that wants to be by their side as much as possible
