## Angelus x Mylo — Parent Overview

**Angelus** is a sweet, affectionate, gentle, and beautifully even-keeled girl. While she certainly has a playful and silly side that comes out when she gets excited, her favorite thing in the world is soaking up love and affection from the people around her. Angelus brings a calm, comforting presence and a naturally loving disposition to every interaction.

**Breed:** F1B Schnoodle

**Weight:** 11lbs

**Mylo** is a fun little fireball of a doodle. Playful, outgoing, goofy, and bubbly, he approaches every situation with an impressive amount of enthusiasm for a dog of his size. There are many ways to describe Mylo, but "boring" would never be one of them. His joyful outlook and larger-than-life personality make him a constant source of entertainment and engagement.

**Breed:** Mini Poodle

**Weight:** 9.5lbs

**Together**, Angelus and Mylo are expected to produce puppies that blend the best of both parents—sweet, affectionate, and loving like their mother, while also being fun, outgoing, and delightfully goofy like their father. We anticipate mid to moderate energy levels and adaptable personalities that can shift easily between cuddle time and playtime, making these puppies wonderful companions for a wide variety of home environments.
