Date of Birth: 6/22/2026

Dali Litter Temperament Overview:

This litter is a beautifully **well-balanced, sweet, and easygoing group** with a naturally adaptable “jack-of-all-trades” temperament. They embody a thoughtful mix of their parents, showing **playfulness, affection, curiosity, and engagement**, while still maintaining a calm and respectful overall presence.

They are **people-oriented and connection-driven**, with many showing a natural desire to interact and be involved, while others display a slightly more independent or observant nature that will continue to develop with maturity. Energy levels are **consistently mid level**, with the ability to rise during play and interaction, but they settle appropriately and maintain good balance.

Overall, this is a **versatile, well-rounded litter** that will thrive in a variety of homes, especially those looking for a **sweet, engaging companion** that is both playful and affectionate without being overwhelming.

Dali Green Dot

POTENTIAL SERVICE + THERAPY CANDIDATE

★ Prep Student: 16-Week S.U.P.E.R. Puppy Program

- **Energy Level:** Mid Level

- **Personality:**

Dali Green Dot is a **well-balanced, engaging, and developing puppy** who shows promising traits as he continues to build confidence. While he may take a moment to settle initially, he becomes **curious, playful, and responsive** once comfortable.

He demonstrates a **balanced connection style**, engaging with people while maintaining composure and independence. His thoughtful nature and willingness to interact make him both enjoyable and easy to work with.

He is **tolerant with handling**, though some initial tension may be present before relaxing. His energy level remains steady at a mid level, with expected growth as confidence develops.

Overall, he shows **strong early indicators for both service and therapy work**, especially with continued structure, engagement, and maturity.

- **Physical Evaluation:**

No health concerns noted. (*Trending small.*)

Dali Blue

POTENTIAL THERAPY / ESA CANDIDATE

★ Prep Student: 4-Week Starter Puppy Program

- **Energy Level:** Mid Level

- **Personality:**

Dali Blue is a **sweet, gentle, and well-balanced puppy** who approaches the world with a calm and thoughtful demeanor. He may need a brief moment to settle into new situations, but he adjusts quickly and becomes **engaged, curious, and interactive** once comfortable.

He is naturally **people-oriented and connection-driven**, showing a clear preference for being around others while maintaining a soft and respectful presence. His affectionate nature and willingness to engage make him an easy and enjoyable companion to spend time with.

He is **tolerant with handling**, with a slightly wiggly response that reflects excitement rather than discomfort. His energy level sits at a steady mid level, with a natural rise during interaction, while still maintaining overall balance.

He shows **nice early indicators for therapy potential**, particularly as his confidence continues to develop, and would do well in a home that offers engagement and consistency.

- **Physical Evaluation:**

No health concerns noted.

Dali Green

★ **Prep Student: 4-Week Starter Puppy Program**

- **Energy Level:** Mid Level

- **Personality:**

Dali Green is a **more sensitive and thoughtful puppy** who benefits from time to adjust to new situations. He may initially present as slightly unsure, but with patience, he settles into a **curious, playful, and socially aware** companion.

He shows a **balanced level of independence**, engaging when comfortable while also being content to observe and process his environment. This creates a temperament that is steady and manageable, especially in the right setting.

He is **tolerant with handling**, though he may carry some initial tension that softens as he becomes more comfortable. His energy level is consistently mid level and is expected to open up further with maturity.

At this stage, he is best suited as a **well-rounded companion**, thriving in a home that allows him time and space to build confidence.

- **Physical Evaluation:**

No health concerns noted. (*Trending small.*)

Dali Orange

★ Prep Student: **4-Week Starter Puppy Program**

- **Energy Level:** Mid Level

- **Personality:**

Dali Orange is a **balanced, curious, and easygoing puppy** who may take a moment to fully settle into new environments. Once comfortable, he becomes **engaged, playful, and social**, showing a naturally adaptable personality.

He maintains a **nice balance between independence and connection**, engaging with people while also being content to explore calmly on his own. This gives him a very versatile temperament suited for many homes.

He is **tolerant with handling**, though he may initially carry slight tension that improves with familiarity. His energy remains steady at a mid level, with room to expand as his confidence grows.

He is best suited as a dependable, **well-balanced companion** in a home that will continue to build his confidence.

- **Physical Evaluation:**

No health concerns noted.

Dali **Blue Dot**

★ Prep Student: **4-Week Starter Puppy Program**

- **Energy Level:** Mid Level

- **Personality:**

Dali Blue Dot is a **gentle, respectful, and balanced puppy** who benefits from a short adjustment period before fully engaging. Once settled, he becomes **curious, social, and easygoing**, with a calm and steady presence.

He demonstrates a **balanced connection style**, engaging when invited while not requiring constant attention. This makes him adaptable and easy to integrate into many environments.

He is **tolerant with handling**, though some initial tension may be present before relaxing. His energy remains consistent at a mid level, with gradual growth expected as confidence develops.

He is best suited as a **steady, well-rounded companion**, with the ability to continue developing confidence over time.

- **Physical Evaluation:**

No health concerns noted.

Dali **Orange Dot**

- **Energy Level:** Mid Level

- **Personality:**

Dali Orange Dot is a **developing and thoughtful puppy** who may need time to feel fully comfortable in new environments. Once settled, he becomes **curious, playful, and social**, showing a steady and adaptable temperament.

He demonstrates a **balanced approach to interaction**, engaging with people while also maintaining independence. This makes him versatile and suitable for a range of homes.

He is **tolerant with handling**, though some initial tension may be present before settling. His energy remains mid level, with room to grow as his confidence increases.

He is best suited as a **balanced companion** in a home that allows him to continue developing confidence at his own pace.

- **Physical Evaluation:**

No health concerns noted.

Dali Blue Stripe

★ Prep Student: 8-Week S.T.A.R. Puppy Program

- **Energy Level:** Mid Level

- **Personality:**

Dali Blue Stripe is a **well-balanced, curious, and engaging puppy** who presents with a naturally social and affectionate demeanor. He interacts comfortably and shows a **steady, thoughtful temperament**.

He is **people-oriented and responsive**, forming connections without being overly demanding. His playful curiosity makes him both enjoyable and easy to work with.

He is **tolerant with handling**, with slight wiggleness due to excitement. His energy level remains mid level, with a natural increase during interaction.

He shows **nice early indicators for therapy potential**, particularly with continued engagement and development.

- **Physical Evaluation:**

Puppy currently has an undescended testicle. This is very common at this age and we expect it to descend as they continue to mature. It will not cause pain or affect daily life. This has been cleared by our vet.

Teeth are slightly delayed in eruption at this time. This is not uncommon and will continue to be monitored as the puppy develops.

Dali Green Stripe

★ Prep Student: 4-Week Starter Puppy Program

- **Energy Level:** Mid Level

- **Personality:**

Dali Green Stripe is a **thoughtful and developing puppy** who may need a moment to adjust before fully engaging. Once comfortable, he becomes **curious, playful, and social**, showing a gentle and respectful demeanor.

He maintains a **balanced temperament**, engaging when comfortable while also being content independently. This allows him to adapt well in the right environment.

He is **tolerant with handling**, though initial tension may be present before settling. His energy level remains consistently mid level and is expected to grow with confidence.

He is best suited as a **well-balanced companion** in a home that allows him to build confidence steadily.

- **Physical Evaluation:**

No health concerns noted.

MEET THE PARENTS!

Meet The Parents

Dali x Ian — Parent Overview

Dali is a happy, confident, and playful mom with a wonderfully sweet and outgoing disposition. She has an incredible desire to please and genuinely loves being with and around her people. Whether she's playing, learning, or simply spending time by your side, Dali approaches every interaction with enthusiasm, warmth, and a deep love for connection.

Breed: F1B Goldendoodle

Weight: 64lbs

Ian shares that same versatile nature. He is sweet, outgoing, engaging, and fun, with a playful, bubbly personality that shines during activity. At the same time, he is more than happy to roll over for belly rubs or curl up in your lap for a nap. Ian truly embodies a "jack-of-all-trades" temperament, effortlessly balancing energy, affection, and adaptability.

Breed: F1B Schnoodle

Weight: 27lbs

Together, Dali and Ian are expected to produce puppies that inherit the same wonderfully versatile personalities as their parents. We anticipate playful, sweet, outgoing, intelligent, affectionate, engaging, and delightfully silly puppies with mid to moderate energy levels and motivation across many areas. This litter should adapt beautifully to a wide variety of home environments, making them exceptional companions for families looking for a well-rounded, people-oriented puppy.
