

Meet The Parents

Dali x Ian — Parent Overview

Dali is a happy, confident, and playful mom with a wonderfully sweet and outgoing disposition. She has an incredible desire to please and genuinely loves being with and around her people. Whether she's playing, learning, or simply spending time by your side, Dali approaches every interaction with enthusiasm, warmth, and a deep love for connection.

Breed: F1B Goldendoodle

Weight: 64lbs

Ian shares that same versatile nature. He is sweet, outgoing, engaging, and fun, with a playful, bubbly personality that shines during activity. At the same time, he is more than happy to roll over for belly rubs or curl up in your lap for a nap. Ian truly embodies a "jack-of-all-trades" temperament, effortlessly balancing energy, affection, and adaptability.

Breed: F1B Schnoodle

Weight: 27lbs

Together, Dali and Ian are expected to produce puppies that inherit the same wonderfully versatile personalities as their parents. We anticipate playful, sweet, outgoing, intelligent, affectionate, engaging, and delightfully silly puppies with mid to moderate energy levels and motivation across many areas. This litter should adapt beautifully to a wide variety of home environments, making them exceptional companions for families looking for a well-rounded, people-oriented puppy.
