

# Meet The Parents

## Effie x Tux — Parent Overview

**Effie** is sweet, gentle, and wonderfully respectful. She lives to please and carries herself with a calm, thoughtful demeanor. While she can be a bit standoffish with people she doesn't know, once she feels comfortable, she becomes one of the sweetest and most affectionate dogs you could ever meet. Her quiet loyalty and gentle nature make her incredibly special.

**Breed:** Standard Poodle

**Weight:** 51lbs

**Tux** is, in many ways, her complete opposite. Reserved and bashful are simply not words that belong in the same sentence as Tux. He is bubbly, bouncy, goofy, and endlessly playful, with a larger-than-life personality that fills every room he enters. Tux is full of lovable drama and seems to be motivated by life itself, bringing enthusiasm and joy to every interaction.

**Breed:** F1B Goldendoodle

**Weight:** 40lbs

**Together**, Effie and Tux are expected to produce puppies that beautifully blend the best of both parents—sweet, engaging, and thoughtful like their mother, with the bubbly, goofy, playful, and interactive nature of their father. We anticipate mid to moderate energy levels that naturally rise with interaction, creating puppies that are both affectionate companions and eager participants in everyday life. Historically, Tux offspring have shown excellent potential for service work, making this pairing especially exciting for families seeking an intelligent, highly people-oriented companion.
