

Esme Girls Temperament Assessment

Date of Birth: 5/17/2026

Esme Litter Temperament Overview:

This litter is **very people-oriented, confident, social, and happy**, with a naturally balanced and engaging disposition across the board. These puppies are consistently **personable, affectionate, and connection-driven**, showing a strong desire to interact and be involved with their people.

They present with a **great combination of stability and engagement**, making them easy to read, responsive, and enjoyable to work with even at this young age. Many of them are already showing **strong early indicators for service, therapy, and ESA work**, including being highly people-focused, intuitive, eager to please, and naturally driven to form **strong, meaningful bonds**.

Energy levels sit at a **steady mid level**, with the ability to rise into the mid to moderate range during interaction and play, while still maintaining overall balance and control. Their engagement is present and intentional, without being overwhelming or chaotic.

Overall, this is a **well-rounded, highly trainable, and emotionally connected litter** that will thrive in homes looking for a puppy who is not only affectionate and playful, but also **deeply bonded, intuitive, and relationship-focused**.

Esme Pink

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid to Moderate

- **Personality:**

Esme Pink is a sweet, engaging, and affectionate puppy with a playful and slightly silly personality that makes her very endearing to be around. She presents with a confident but gentle demeanor, engaging easily without being overwhelming.

She is very **people-oriented, eager to please, and naturally intuitive**, showing a strong desire to connect and interact with those around her. She responds well to attention and **actively works to build strong, meaningful bonds**, making her a very relationship-driven and connected puppy.

Her playful, goofy side comes out most during interaction, where her energy rises into a mid to moderate range, but she maintains a nice level of balance and responsiveness. She is tolerant with handling, though her excitement may show through some wiggling.

Overall, she is a fun, affectionate, and engaging puppy who offers both connection and personality, making her a wonderful companion with great early potential.

- **Physical Evaluation:**

No health concerns noted.

Esme Red

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid to Moderate

- **Personality:**

Esme Red is a beautifully balanced, easygoing, and personable puppy who carries a natural “go with the flow” temperament. She presents as steady and adaptable, handling new situations with confidence without becoming pushy or overstimulated.

She is clearly **people-oriented and connection-driven**, showing a natural responsiveness and desire to engage while maintaining a calm and grounded presence. She is intuitive in a quiet, consistent way and **forms strong, dependable bonds** through steady interaction rather than intensity.

She is tolerant with handling, with slight wiggling from excitement, but remains cooperative and easy to manage. Her energy sits in the mid to moderate range, rising gently with interaction while staying very balanced.

Overall, she is a steady, affectionate, and adaptable puppy who offers a very livable and dependable temperament with great early potential.

- **Physical Evaluation:**

No health concerns noted.

Esme White

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid to Moderate

- **Personality:**

Esme White is a very personable, engaging, and playful puppy with a naturally goofy and attention-driven personality. She is expressive, fun, and clearly enjoys interaction, often working to gain and maintain attention in a very endearing way.

She is highly **people-oriented, eager to please, and socially motivated**, showing a strong desire to connect and be involved. She engages actively and **strives to build strong, meaningful bonds**, making her a very interactive and relationship-focused puppy.

Her energy rises easily with interaction, moving into a mid to moderate range, especially when she is engaged in play or seeking attention. She is tolerant with handling, though her excitement may come through in movement and enthusiasm.

Overall, she is a fun, engaging, and affectionate puppy with a lively personality and great early potential, best suited for a home that will enjoy and match her interactive nature.

- **Physical Evaluation:**

No health concerns noted.

MEET THE PARENTS!

Meet The Parents

Esme x Jeremiah — Parent Overview

Esme is a sweet, personable, and deeply engaging girl whose world revolves around the people she loves. She has a way of drawing people in with her affectionate nature and genuine desire for connection. Esme is the type of dog who quickly becomes the center of attention—not because she demands it, but because her warm personality naturally earns it.

Breed: F1 Goldendoodle

Weight: 58lbs

Jeremiah is energetic, playful, and absolutely wired for engagement. He approaches life with enthusiasm and intensity, carrying strong motivation for both people and food. Jeremiah is exceptionally trainable and thrives when given opportunities to learn, interact, and work alongside his people. His intelligence and eagerness make him a standout contributor to this pairing.

Breed: Moyen Poodle

Weight: 25.6lbs

Together, Esme and Jeremiah are expected to produce puppies that blend the best of both parents. We anticipate puppies with Esme's sweet, personable, and people-oriented nature paired with Jeremiah's trainability, motivation, and engagement. Energy levels will likely fall in the mid to moderate range, with excitement increasing around interaction and activity. This litter should be a wonderful fit for homes that enjoy an interactive relationship with their dog and are eager to include them in daily life.
