Date of Birth: 6/6/2026

Irene Litter Temperament Overview:

The Irene litter is a fun, personable, and well-balanced group that reflects the outgoing and affectionate nature of both parents. These puppies are sweet, engaging, playful, and naturally drawn to people, often becoming silly and animated when seeking attention and cuddly when enjoying handling. They are easygoing overall and show a nice balance between affection, playfulness, and independence. Most of the litter presents with mid-level energy, with Pink Dot showing a higher level of activity. Their energy may build with excitement, but they remain adaptable and enjoyable companions. This is a charming, affectionate group that should transition well into most homes.

Irene **Pink**

Potential Therapy / ESA Candidate

- **Energy Level:** Mid Level
- **Personality:** Pink is a sweet, personable, and easygoing puppy who needs a brief moment to adjust to new situations. Once comfortable, she becomes engaging, affectionate, and cuddly. She has a balanced level of independence, enjoying time with people while also being content to do her own thing. Pink can be a little wiggly or unsure during handling, but she remains tolerant and settles nicely. Her true mid-level energy may rise slightly as her confidence and maturity develop. She would likely thrive in a slightly slower-paced home.
- **Physical Evaluation:** N/A

Irene Red

Potential Therapy / ESA Candidate

- **Energy Level:** Mid Level
- **Personality:** Red is a personable, engaging, and easygoing puppy who benefits from a moment to become comfortable in new situations. She is affectionate and enjoys interacting with people while still maintaining a healthy amount of independence. Red can feel tense, wiggly, or unsure during handling, but she remains sweet and tolerant throughout it. She is very well-balanced overall and should do especially well in a slightly slower-paced home that allows her confidence to develop naturally.
- **Physical Evaluation:** N/A

Irene White

Potential Therapy / ESA Candidate

- **Energy Level:** Mid Level
- **Personality:** White is a sweet, cuddly, and personable puppy who may need a brief moment to adjust before becoming fully engaged. Once comfortable, she enjoys affection and interaction while remaining balanced enough to entertain herself when needed. She can be wiggly or slightly unsure during handling, but she is tolerant and responsive. White has a steady mid-level energy and would likely be happiest in a slightly slower-paced home.
- **Physical Evaluation:** N/A

Irene **Pink Dot**

Potential Therapy / ESA Candidate

- **Energy Level:** Mid Level
- **Personality:** Pink Dot can be somewhat standoffish when first introduced to a new situation, but she settles into an affectionate, personable, and engaging puppy once comfortable. She enjoys people while maintaining a balanced level of independence. Pink Dot can be wiggly or unsure during handling, though she remains tolerant and sweet. She currently presents with the highest energy of the group, and her confidence and activity level may continue to increase with maturity. A slightly slower home that gives her time to adjust would be ideal.
- **Physical Evaluation:** N/A

Irene **Red Dot**

Potential Service + Therapy Candidate

- **Energy Level:** Mid Level
- **Personality:** Red Dot is a confident, happy, affectionate, and highly engaging puppy with a naturally easygoing personality. She has a slight preference for being with people and may become a little pushy in her efforts to receive attention. Red Dot is very personable and responsive, becoming squirmy with excitement during handling rather than from discomfort. Her affectionate nature, confidence, and strong desire to connect give her good early potential for service or therapy work. She would thrive in a home that wants an involved and interactive companion.
- **Physical Evaluation:** N/A

Irene x Howie — Parent Overview

Irene is an absolute hoot. She is fun, outgoing, bubbly, sweet, and almost overly affectionate in the most lovable way possible. Irene approaches life with an enthusiasm that is genuinely contagious, bringing joy and excitement wherever she goes. Her zest for life and deep love for people make her an incredibly engaging companion.

Breed: Moyen Poodle

Weight: 36lbs

Howie is every bit as charming. He is outgoing, sweet, and effortlessly personable, with a natural ability to make friends wherever he goes. Howie loves being around people regardless of the activity and is one of those rare dogs who seems genuinely motivated by life itself. His happy, easygoing nature makes him a favorite wherever he is.

Breed: F2 Goldendoodle

Weight: 28lbs

Together, Irene and Howie are expected to produce puppies that closely mirror their parents—fun, outgoing, charming, sweet, and playful. We anticipate mid to moderate energy levels that naturally rise toward moderate during periods of excitement and interaction. This litter should be full of engaging, people-oriented puppies who embrace life with enthusiasm and make wonderful companions for a wide variety of homes.
