

Kelsea Boys Temperament Assessment

[Kelsea Boys Play Video](#)

Date of Birth: 7/14/2026

Kelsea Litter Temperament Overview:

The Kelsea litter is an exceptionally **sweet, gentle, affectionate, curious, and well-balanced group**. These puppies are naturally social and people-oriented, with a genuine desire for connection and companionship. Across the litter, they show a beautiful combination of **soft, affectionate temperaments and comfortable social confidence**.

One of the strongest qualities throughout this litter is their **human engagement**. They enjoy being with people, respond readily to interaction, and tend to seek connection rather than choosing to remain completely independent. They are also generally tolerant and respectful during handling, giving the litter an especially pleasant, companion-oriented temperament.

Energy is remarkably consistent across the group, with the litter presenting at a **true mid level across the board**. Some become more animated and playful when actively engaging with people, while others remain more even throughout, but overall they offer a very manageable balance of playfulness and the ability to settle.

There is also **very nice service and therapy potential throughout the litter**, with several puppies showing especially promising combinations of engagement, confidence, tolerance, affection, and people focus. Individual working potential varies, but the litter as a whole offers many of the qualities we look for when considering continued service or therapy development.

Overall, these puppies have wonderful **“jack-of-all-trades” potential**. Their balanced energy, gentle social nature, affection, curiosity, and adaptability give them the versatility to fit beautifully into a wide variety of family environments, with individual matching helping determine which puppy is the very best fit for each home.

Kelsea Blue

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid

- **Personality:**

Kelsea Blue is a **sweet, gentle, social, curious, and well-balanced puppy**. He is very people-focused and showed a clear preference for being with his people, while still presenting with a nicely balanced overall demeanor.

He needed a brief moment to adjust initially, but once comfortable, his **engaging and affectionate personality came through beautifully**. He is confident without presenting as overly bold, and his evaluation showed great human engagement. He is also very tolerant of handling; while he can become wiggly with excitement, he remains receptive and comfortable with interaction.

His energy is a very **true mid level**—balanced across the board without naturally trending especially high or low. This, paired with his social nature, gentle disposition, curiosity, and people focus, gives him the versatility to fit comfortably into a wide variety of family environments.

Kelsea Blue showed **very good early potential for both service and therapy work**. His people focus, engagement, tolerance, balanced energy, and gentle temperament provide a promising foundation for continued development.

Overall, he is a **sweet, tolerant, engaging, and adaptable companion** who should do wonderfully in nearly any home.

- **Physical Evaluation:**

No health concerns noted.

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid

- **Personality:**

Jimmy is a **calm, affectionate, gentle, people-focused puppy** with a sweet and nicely balanced disposition. He may need a brief moment to become comfortable initially, but once he adjusts, he becomes social, engaging, and connected with his people.

He has a definite preference for human interaction and showed **great engagement** during his evaluation. He is tolerant with handling and, although he can become wiggly from excitement, remains receptive and comfortable with that close interaction.

Jimmy carries a **true mid-level energy** that remained very consistent throughout his evaluation. His combination of gentle affection, people focus, social engagement, tolerance, and balanced energy gives him the kind of versatile temperament that can translate beautifully into many different home environments.

He also demonstrated **very good early potential for both service and therapy work**. His engagement, affection, tolerance, and desire to be with people provide a very nice foundation for continued working development.

Overall, Jimmy is a **gentle, sweet, social, and adaptable puppy** who should do very well in nearly any home willing to give him that brief opportunity to settle in and show his personality.

- **Physical Evaluation:**

No health concerns noted.

Kelsea Orange

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites for Interaction

- **Personality:**

Ty is an **exceptionally engaging, affectionate, personable, gentle, and people-focused puppy**. He is very confident without being pushy and has a strong natural desire to connect with his people.

One of Ty's strongest qualities is his **human engagement**. He actively enjoys interaction and strongly prefers being involved with his people. He combines that connection with good handling tolerance; he may wiggle with excitement, but remains tolerant and receptive while being handled.

Ty has a **mid-level baseline energy that rises with interaction**, reaching into moderate energy when he becomes excited and engaged. That enthusiasm is very people-driven and fits naturally with his affectionate, social personality.

He showed **great early potential for both service and therapy work**. His confidence, exceptional engagement, people focus, affection, tolerance, and motivation for interaction create a particularly promising foundation for continued development.

Ty will be best suited for an **engaging home** looking for a highly connected companion who wants to participate in everyday life with his people.

- **Physical Evaluation:**

No health concerns noted

 **Meet The Proud Parents!**

Meet The Parents

Kelsea x Captain — Parent Overview

Kelsea is such a sweet girl. She is cuddly, reserved, and deeply affectionate, with a gentle nature that makes her impossible not to love. While she may be a little bashful when meeting someone new, give her just five minutes to get to know you and you'll have a best friend for life. Kelsea is motivated by interaction above all else and is truly a gentle giant who thrives on forming close, meaningful bonds with her people.

Breed: F1 Goldendoodle

Weight: 64lbs

Captain is affectionate, self-assured, and outgoing, bringing a wonderfully balanced temperament to everything he does. He approaches new experiences with confidence and is always eager to engage with the people around him. His steady, people-oriented nature and enthusiasm for interaction make him an exceptional companion.

Breed: Moyen Poodle

Weight: 32lbs

Together, Kelsea and Captain are expected to produce puppies that beautifully blend the best qualities of both parents. We anticipate exceptionally sweet, affectionate, and engaging puppies that inherit their mother's loving, people-focused nature while carrying their father's confidence and self-assurance. With balanced, mid-level energy and an exceptional desire to connect with people, this litter should produce outstanding therapy candidates and devoted companions for families looking for a deeply affectionate, people-oriented puppy.
