Date of Birth: 5/6/2026

Molly Litter Temperament Overview:

Molly is a sweet, gentle, and naturally well-mannered girl who carries herself with a calm, respectful presence while still being playful and engaging. Stitch complements her beautifully with his affectionate, easygoing, and cuddly nature—preferring connection and closeness above all else. Together, they produce puppies that are incredibly people-focused, loving, and emotionally connected.

This litter is exactly that—**sweet, affectionate, respectful, and deeply people-oriented puppies** who truly thrive on interaction. They are personable, engaging, curious, and happy, with a strong desire to be close to their people. Overall energy levels are mid to moderate, typically rising with interaction and settling nicely with handling. These puppies will do best in homes looking for a **true companion—one that wants to be included, loved, and part of everyday life.**

Molly Blue

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate (rises with interaction)

- **Personality:**

Monty is a sweet, playful, and very engaging puppy who carries a confident and outgoing presence. He warms up quickly, shows strong curiosity, and actively seeks interaction, often displaying a slightly pushy but very endearing desire to be involved. He is gentle and happy-natured, with a playful spirit that makes him both fun and adaptable in a variety of home environments. While he can get a bit wiggly with excitement during handling, he remains very tolerant and responsive overall.

He is incredibly people-oriented, intuitive, and naturally in tune with those around him, showing a strong desire to connect and build meaningful relationships. Monty thrives on interaction and forms deep, reliable bonds with his people, making him an excellent candidate for service, therapy, or emotional support roles.

- **Physical Evaluation:** No health concerns noted.

Molly Green

- **Energy Level:** Mid Level

- **Personality:**

Milo is a gentle, affectionate, and thoughtful puppy who may take a moment to adjust to new environments, but does so in a very respectful and composed way. He is slightly reserved initially, showing a softer and more cautious confidence, but once settled, his sweet and engaging personality really shines through. He enjoys connection without being overwhelming and carries a calm, easygoing presence that makes him very approachable and comforting. Handling is well tolerated, though he may show a bit of initial tension before relaxing.

- **Physical Evaluation:**

Puppy's teeth have not fully come in yet, which is completely normal and expected at this age. Bite will continue to be monitored as he matures. This is not a health concern.

Molly Orange

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Moderate (calms with handling)

- **Personality:**

This puppy is extremely confident, outgoing, and highly motivated by people and attention. He is very vocal in his efforts to gain and maintain interaction, showing a strong drive to be noticed and included. His personality is bold, engaging, and full of life, with a playful and affectionate nature that makes him incredibly fun and expressive. While he can be a bit pushy in his approach, it comes from a strong desire for connection and interaction. He handles well overall, with some excited wiggles, but is able to settle nicely when given attention.

He is incredibly people-oriented, intuitive, and deeply driven to connect, showing exceptional awareness of those around him. He thrives on interaction and actively works to build strong, meaningful bonds, making him an outstanding candidate for service, therapy, or support-focused roles.

- **Physical Evaluation:**

Puppy's teeth have not fully come in yet, which is completely normal and expected at this age. Bite will continue to be monitored as he matures. This is not a health concern
