

Paprika Boys Temperament Assessment

[Paprika Boys Play Video](#)

Date of Birth: 6/22/2026

Paprika Litter Temperament Overview:

Paprika is an incredibly sweet and affectionate little girl with a constantly wagging tail and a heart full of joy. She loves rolling over for belly rubs and has the kind of happy, gentle energy that naturally draws people in. Wasabi is just as lovable in his own fun-loving way. He is affectionate, social, endlessly friendly, and truly a happy-go-lucky boy who believes everyone and everything is his friend.

Together, Paprika and Wasabi were expected to produce puppies that closely mirror their delightful temperaments—**affectionate, social, outgoing, and strongly motivated by interaction and people**, along with good interest in food and toys.

The litter overall **needed a moment to settle in**, but once comfortable, they were **happy, social, sweet, curious, playful, bubbly, and silly**. They have **mid-level energy** and will be best suited to engaging and interactive homes.

Paprika Orange

POTENTIAL SERVICE CANDIDATE

★ Prep Student: 4-Week Starter Puppy Program

- **Prep School will begin once this puppy has been adopted.**

- **Energy Level:** Mid Level — Excites with Interaction

- **Personality:**

Paprika Orange is a **happy, bubbly, social, affectionate, and highly engaging puppy** with a confident, people-focused personality. Although he needed a moment initially, once comfortable, his sweet and gentle nature came through beautifully.

He is **very people-focused and highly engaged**, naturally working to connect with those around him. He is confident and self-assured, occasionally showing a little pushiness, but his strong social motivation and responsiveness make him an incredibly personable puppy.

He is tolerant with handling and may become slightly wiggly with excitement. His energy sits at a mid level but **rises with interaction**, which reflects how motivated he is by engagement and attention.

Paprika Orange demonstrates **great early potential for service work**. His excellent human engagement, confidence, strong people focus, tolerance, and natural motivation for interaction provide a very promising foundation for continued structured training and development.

He will be best suited to an **engaging and interactive home** that will give him opportunities to connect, participate, and continue developing his natural strengths.

- **Physical Evaluation:**

No health concerns noted.

Paprika **Blue**

- **Energy Level:** Mid Level

- **Personality:**

Paprika Blue is a **well-balanced, observant, sweet, respectful, and gentle puppy** with a thoughtful approach to new situations. He may need a minute to become comfortable initially, but once settled, his curious and happy personality begins to emerge.

He has a nicely **balanced connection style**, showing comfort with human interaction while also maintaining healthy independence. He is naturally observant and comfortable taking in his surroundings before fully engaging.

Paprika Blue is tolerant with handling, although he may carry a little initial tension before relaxing. His energy remains at a steady, textbook mid level.

Overall, he is an **even-tempered, gentle, and adaptable puppy** whose balanced nature should lend itself well to a wide variety of home environments.

- **Physical Evaluation:**

No health concerns noted.

POTENTIAL SERVICE CANDIDATE

- **Energy Level:** Mid Level — Excites with Interaction

- **Personality:**

Paprika Blue Dot is a **curious, tolerant, gentle, happy, silly, and playful puppy** with a confident, highly engaging personality.

He is **strongly people-focused and shows excellent engagement**, naturally preferring connection and interaction with those around him. He is confident and can occasionally be a little pushy, while remaining personable, social, and responsive.

He is tolerant with handling and may become slightly wiggly with excitement. His baseline energy is mid level but **rises with interaction**, making him enthusiastic and responsive when people engage with him.

Paprika Blue Dot demonstrates **great early potential for service work**. His confidence, strong people focus, excellent engagement, tolerance, and natural motivation for human interaction provide a very promising foundation for continued structured training.

He will be best suited to an **engaging and interactive home** that can positively channel his people-oriented nature and desire to participate.

- **Physical Evaluation:**

No health concerns noted.
