

Piper Boys Temperament Assessment

Piper Boys Play Video

Date of Birth: 6/15/2026

Piper Litter Temperament Overview:

This litter is **outgoing, bubbly, playful, and highly people-oriented**, consistently seeking interaction and connection with those around them. They present as **social, affectionate, and engaging puppies** who thrive on attention and naturally draw people in with their sweet, silly personalities.

Across the board, they show a **nice balance of confidence and curiosity**, with many puppies eager to engage while still maintaining an easygoing and adaptable demeanor. Several are already showing **strong early indicators for therapy and service potential**, including being intuitive, people-focused, and motivated to maintain connection.

Energy levels are **mid to moderate**, often increasing with play and interaction while settling appropriately when handled. Overall, this is a **fun, engaging, and connection-driven litter** that will do best in homes that are interactive, involved, and excited to include their puppy in daily life.

Piper Blue

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Piper Blue is a sweet, affectionate, and highly engaging puppy who presents with a gentle and personable demeanor. He may take a brief moment to adjust when first introduced to something new, but he works through it quickly and settles into a confident, curious, and interactive companion.

He is very **people-oriented and connection-driven**, naturally seeking out engagement and forming strong, meaningful bonds. Piper Blue shows an eagerness to please and a natural intuition with people, allowing him to respond thoughtfully and stay connected during interactions.

He is tolerant with handling and remains cooperative, showing a slightly wiggly excitement that reflects enthusiasm rather than sensitivity. His energy level is a steady mid level, with the ability to rise into a more moderate, playful range during interaction while still maintaining overall balance.

Overall, Piper Blue is a **well-rounded, affectionate, and highly connected puppy** with excellent early service and therapy potential, making him a wonderful fit for an engaging and interactive home.

- **Physical Evaluation:**

No health concerns noted.

Piper Orange

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Piper Orange is a well-balanced, engaging, and naturally personable puppy who presents with a confident yet easygoing demeanor. He may take a brief moment to adjust at first, but transitions quickly into a curious and interactive companion.

He is clearly **people-focused and enjoys connection**, while still maintaining the ability to be content on his own when needed. This balance allows him to be both engaging and adaptable, fitting comfortably into a wide range of homes.

He is tolerant with handling and remains cooperative and relaxed throughout. His energy level is a steady mid level, with the ability to rise into a moderate, playful range during interaction.

He shows **nice early indicators for therapy or ESA-type work**, including engagement, responsiveness, and a steady, people-aware presence.

Overall, Piper Orange is a **sweet, adaptable, and engaging puppy** who will thrive in a home that offers consistent interaction and connection.

- **Physical Evaluation:**

No health concerns noted.

MEET THE PARENTS!

Meet The Parents

Piper x Harvey — Parent Overview

Piper is a bubbly and wonderfully people-oriented girl who makes it very clear what she wants from life—and that is interaction. She is sweet, confident, and delightfully silly, thriving on attention and connection with those around her. Piper's enthusiasm for people and her joyful personality make her an incredibly engaging companion.

Breed: F1B Goldendoodle

Weight: 25lbs

Harvey is much the same in all the best ways. He is outgoing, gentle, and overflowing with personality. Like Piper, Harvey cares more about the invitation than the adventure itself. He loves to play, is exceptionally intelligent, and has become a fan favorite around the nursery thanks to his charming, happy-go-lucky nature.

Breed: F1 Schnoodle

Weight: 12lbs

Together, Piper and Harvey are expected to produce puppies that closely reflect their parents—outgoing, bubbly, playful, and full of personality. We anticipate mid to moderate energy levels that naturally rise with play and interaction, along with puppies that are deeply people-oriented and impossible not to fall in love with. This litter should be an excellent fit for lively homes looking for a fun, engaging companion.
