

Piper Girls Temperament Assessment

Piper Girls Play Video

Date of Birth: 6/15/2026

Piper Litter Temperament Overview:

This litter is **outgoing, bubbly, playful, and highly people-oriented**, consistently seeking interaction and connection with those around them. They present as **social, affectionate, and engaging puppies** who thrive on attention and naturally draw people in with their sweet, silly personalities.

Across the board, they show a **nice balance of confidence and curiosity**, with many puppies eager to engage while still maintaining an easygoing and adaptable demeanor. Several are already showing **strong early indicators for therapy and service potential**, including being intuitive, people-focused, and motivated to maintain connection.

Energy levels are **mid to moderate**, often increasing with play and interaction while settling appropriately when handled. Overall, this is a **fun, engaging, and connection-driven litter** that will do best in homes that are interactive, involved, and excited to include their puppy in daily life.

Piper Pink

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid to Moderate

- **Personality:**

Piper Pink is a very sweet, affectionate, and highly engaging puppy who naturally seeks out interaction and connection. She presents as focused and attentive, with a clear desire to be involved and connected with her people.

She is strongly **people-oriented and engagement-driven**, forming bonds comfortably while maintaining a thoughtful and responsive presence. Piper Pink shows a natural ability to seek interaction in a calm and intentional way, making her especially enjoyable to work with.

She is tolerant with handling and remains cooperative and easygoing throughout. Her energy level sits between mid and moderate, rising naturally during interaction while maintaining overall balance.

She shows **good early indicators for therapy or ESA-focused work**, including attentiveness, engagement, and a desire to maintain connection.

Overall, Piper Pink is a **loving, interactive, and well-balanced puppy** who will thrive in an engaging and involved home.

- **Physical Evaluation:**

No health concerns noted.

Piper **Red**

- **Energy Level:** Mid Level

- **Personality:**

Piper Red is a playful, social, and curious puppy who brings a fun and engaging personality once she has had a moment to adjust. She may initially present as slightly reserved, but warms up into a confident and interactive companion.

She carries a **balanced approach to engagement**, enjoying interaction while also being comfortable exploring independently. This gives her a steady and adaptable temperament that works well in many home environments.

She is very tolerant with handling, remaining gentle and cooperative throughout. Her energy level is a consistent mid level, presenting as stable and well-regulated.

At this time, she is not showing strong indicators for therapy or service work, but she is a **well-rounded and affectionate puppy** who will thrive as a companion.

Overall, Piper Red is a **sweet, curious, and balanced puppy** who will continue to build confidence with time and interaction.

- **Physical Evaluation:**

No health concerns noted.

Piper White

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Piper White is a sweet, affectionate, and highly engaging puppy who presents with a gentle and personable nature. She may take a brief moment to adjust initially, but settles quickly and becomes very connected and interactive.

She is extremely **people-oriented and highly engaged**, consistently seeking out interaction and forming strong, reliable bonds. Piper White shows an intuitive awareness and a desire to stay connected, allowing her to respond thoughtfully and maintain engagement.

She is tolerant with handling, showing a gentle demeanor paired with a touch of playful excitement. Her energy level is a steady mid level, with the ability to rise during interaction while maintaining overall balance.

She demonstrates **excellent early indicators for service and therapy work**, including engagement, responsiveness, and a natural drive to connect.

Overall, Piper White is a **loving, intuitive, and highly connected puppy** who will thrive in an interactive home and shows strong potential for future working roles.

- **Physical Evaluation:**

Puppy has a mild underbite. This is very minor and will likely correct as they continue to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

MEET THE PARENTS!

Meet The Parents

Piper x Harvey — Parent Overview

Piper is a bubbly and wonderfully people-oriented girl who makes it very clear what she wants from life—and that is interaction. She is sweet, confident, and delightfully silly, thriving on attention and connection with those around her. Piper's enthusiasm for people and her joyful personality make her an incredibly engaging companion.

Breed: F1B Goldendoodle

Weight: 25lbs

Harvey is much the same in all the best ways. He is outgoing, gentle, and overflowing with personality. Like Piper, Harvey cares more about the invitation than the adventure itself. He loves to play, is exceptionally intelligent, and has become a fan favorite around the nursery thanks to his charming, happy-go-lucky nature.

Breed: F1 Schnoodle

Weight: 12lbs

Together, Piper and Harvey are expected to produce puppies that closely reflect their parents—outgoing, bubbly, playful, and full of personality. We anticipate mid to moderate energy levels that naturally rise with play and interaction, along with puppies that are deeply people-oriented and impossible not to fall in love with. This litter should be an excellent fit for lively homes looking for a fun, engaging companion.
