

# Meet The Parents

## Piper x Harvey — Parent Overview

**Piper** is a bubbly and wonderfully people-oriented girl who makes it very clear what she wants from life—and that is interaction. She is sweet, confident, and delightfully silly, thriving on attention and connection with those around her. Piper's enthusiasm for people and her joyful personality make her an incredibly engaging companion.

**Breed:** F1B Goldendoodle

**Weight:** 25lbs

**Harvey** is much the same in all the best ways. He is outgoing, gentle, and overflowing with personality. Like Piper, Harvey cares more about the invitation than the adventure itself. He loves to play, is exceptionally intelligent, and has become a fan favorite around the nursery thanks to his charming, happy-go-lucky nature.

**Breed:** F1 Schnoodle

**Weight:** 12lbs

**Together**, Piper and Harvey are expected to produce puppies that closely reflect their parents—outgoing, bubbly, playful, and full of personality. We anticipate mid to moderate energy levels that naturally rise with play and interaction, along with puppies that are deeply people-oriented and impossible not to fall in love with. This litter should be an excellent fit for lively homes looking for a fun, engaging companion.
