Posy x Briggs — Parent Overview

Posy is a joyful, happy, and playful girl who approaches life with contagious enthusiasm. She loves giving hugs, thrives on making her people happy, and is always ready for the next adventure—as long as she gets to experience it alongside the people she loves. Her zest for life and deep desire for connection make her an incredibly engaging companion.

Breed: F1B Goldendoodle

Weight: 28lbs

Briggs is thoughtful and observant, preferring to take a moment to assess a situation before jumping in. Once he feels comfortable, his playful, bouncy, and eager personality shines through. He loves to run, play, and engage with his people, but he also settles beautifully and is remarkably responsive and respectful. Briggs enjoys affection just as much as activity and is always happy to end the day with a good cuddle.

Breed: Moyen Poodle

Weight: 17lbs

Together, Posy and Briggs are expected to produce puppies that blend these traits beautifully. We anticipate puppies that are observant and thoughtful at first, taking a moment to adjust like Briggs, before blossoming into the joyful, sweet, and engaging companions they inherit from Posy. With mid-level energy and strong people-oriented motivation, this litter should thrive in homes that are willing to give them a little time to settle before their affectionate, playful personalities shine.
