Queenie x Adler — Parent Overview

Queenie is a sweet, outgoing, and incredibly charming poodle with enough charisma to light up any room. She has a wonderfully affectionate nature and a unique way of showing it—often reaching out with her paws as if trying to pet you back and leaning so enthusiastically into hugs that she nearly falls over. Queenie is simply a sweetheart through and through, bringing warmth and joy to everyone she meets.

Breed: F2 Goldendoodle

Weight: 33lbs

Adler is every bit as special. He is outgoing, self-assured, and bubbly, carrying a calm confidence that sets him apart from many other males. While he has a steadier disposition, he still embraces the playful, dopey energy you would expect from a happy male dog. Adler is engaging, affectionate, and effortlessly easy to love.

Breed: Mini Poodle

Weight: 17lbs

Together, Queenie and Adler are expected to produce puppies whose temperaments truly define them. We anticipate exceptionally sweet, outgoing, charismatic, self-assured, and bubbly puppies that are deeply engaged with their people. With mid-level energy that naturally rises with interaction, this litter should produce outstanding service, therapy, and alert dog candidates while also making incredible companions for families looking for a truly connected and affectionate partner.
