

Twix Girls Temperament Assessment

Twix Girls Play Video

Date of Birth: 6/14/2026

Twix Litter Temperament Overview:

The Twix litter is a sweet, personable, and engaging group that reflects the affectionate nature of both parents. These puppies are playful, funny, and happy, with a strong interest in people and affection while still being content to entertain themselves when needed. Several may need a brief moment to adjust to new situations, but they settle nicely and become affectionate, interactive companions once comfortable. Energy levels range from mid to mid-moderate, with a few puppies becoming more animated during handling and engagement. Overall, this is a balanced and endearing litter that should transition well into homes willing to provide regular interaction, with several puppies showing promising early qualities for therapy or service work as their confidence continues to develop.

Twix Red

Potential Therapy / ESA Candidate

- **Energy Level:** Mid to Moderate
- **Personality:** Red is a confident, happy, and easygoing puppy with a naturally personable, go-with-the-flow temperament. She is people-focused and enjoys affection and interaction while still maintaining enough independence to remain balanced. Red is very tolerant of handling and engages well without being pushy or overwhelming. She is incredibly people-oriented and intuitive, naturally striving to form strong bonds and stay connected with her person. Her confidence, responsiveness, strong engagement, and balanced nature give her great early potential for service or therapy work. She will thrive in an engaging home looking for an affectionate and involved companion.
- **Physical Evaluation:** N/A

Twix White

- **Energy Level:** Mid to Moderate
- **Personality:** White is a happy, easygoing, and personable puppy who may need a brief moment to adjust to new situations before settling comfortably. Once relaxed, she becomes affectionate, engaging, and well-balanced, enjoying interaction while also being content to entertain herself when needed. She may initially feel a little tense during handling, but remains tolerant and settles nicely with time. White is people-oriented and naturally forms close connections once comfortable. As her confidence continues to develop, her engagement, affectionate nature, and balanced temperament give her promising early potential for service or therapy work. She will do well in a home that allows her a little time to adjust and then includes her in everyday life.
- **Physical Evaluation:** N/A

Twix x Bruce — Parent Overview

Twix is a sweet, affectionate, engaging, and incredibly endearing girl. While she certainly has a playful, goofy, and bubbly side, her greatest goal in life is finding her next hug. She thrives on attention and connection, always looking for another opportunity to be close to her people. No matter the situation, Twix is simply a sweet baby through and through.

Breed: Moyen Poodle

Weight: 23lbs

Bruce is very much on the same wavelength. He is sweet, gentle, and playful, though he can be a little timid when meeting new people or entering unfamiliar situations. Once he has had a chance to settle in, his affectionate and loving personality shines through, revealing a wonderfully kind and engaging companion.

Breed: F1B Goldendoodle

Weight: 26lbs

Together, Twix and Bruce are expected to produce puppies that closely reflect their parents—sweet, gentle, playful, goofy, and deeply engaging. We anticipate mid-level energy, strong people-oriented motivation, and puppies that are constantly seeking affection and connection with their families. This litter should be a wonderful fit for homes looking for a true family companion that will be included in everyday life and cherished as part of the family.
