

Verona Girls Temperament Assessment

Verona Girls Play Video()

Date of Birth: 7/4/2026

Verona Litter Temperament Overview:

Verona's litter is an **exceptionally personable, engaging, confident, social, and happy group** with outgoing personalities and a strong desire to interact with people. They are affectionate, playful, eager to please, and naturally enjoy being involved in whatever is happening around them.

Energy varies more widely within this litter than some, ranging from **steady mid level to more animated mid-to-moderate presentations**, with several puppies becoming increasingly playful and enthusiastic through interaction. Overall, they are a fun, lively group that should thrive in homes where they can be included, engaged, and treated as true companions.

Several puppies demonstrated **very promising early potential for future service and/or therapy work**, particularly through their strong human engagement, affection, confidence, and eagerness to connect. Individual working potential is noted within each puppy's evaluation rather than applied across the litter as a whole.

Overall, these are **sweet, outgoing, playful, affectionate, and personality-forward puppies** who will be best suited for homes wanting an interactive companion and are especially well matched to engaging, lively lifestyles.

Verona **Red Dot**

★ Prep Student: **16-Week S.U.P.E.R. Puppy Program**

16-Week Prep School Dates: 9/3/26 – 12/24/26

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid to Moderate — Calms for Handling

- **Personality:**

Verona Red Dot is a **balanced, affectionate, engaging, sweet, and happy puppy** with a confident but respectful disposition. She enjoys being involved with people and shows a slight preference toward human interaction without presenting as overly dependent.

She demonstrates **good human engagement** and tolerance during handling. While she may initially be a little wiggly, she adjusts well. One of the particularly positive qualities noted during her evaluation is her ability to **calm for handling**, even though her playful energy can rise with interaction.

Her presentation can reach the **mid-to-moderate range**, but she shows the ability to regulate and settle when appropriate. She is playful and fun while maintaining the connected, cooperative qualities that are valuable in a working prospect.

Verona Red Dot shows **good early potential for both service and therapy work**. Her affection, engagement, confidence, handling tolerance, balanced people focus, and ability to calm during interaction provide a promising foundation as she continues developing through her extended Prep School program.

She should be a versatile companion capable of fitting into **a wide variety of homes**, especially one that will enjoy involving her in everyday life.

- **Physical Evaluation:**

No health concerns noted.

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Briefly Excites for Interaction, Then Levels Off

- **Personality:**

Verona Pink is a **sweet, personable, gentle, and well-balanced puppy**. She is confident without being pushy and shows a slight preference toward being with her people while still maintaining a comfortable, balanced disposition.

She demonstrates **good human engagement** and is tolerant with handling. She may be a little wiggly initially, but adjusts well and remains comfortable and cooperative. Compared with some of her littermates, she can be a little more content independently, giving her a nice combination of connection and the ability to occupy herself.

Her energy is a true **mid level**. She may become briefly excited when interaction begins, but **levels herself back out naturally**, rather than continuing to escalate.

Overall, Verona Pink shows **good early potential for both service and therapy work**. Her confidence, balanced temperament, people orientation, handling tolerance, and ability to regulate after excitement provide a nice foundation for continued development.

She is an adaptable puppy who should be able to **fit comfortably into nearly any home environment**.

- **Physical Evaluation:**

No health concerns noted.

Verona Red

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Briefly Excites for Interaction, Then Levels Off

- **Personality:**

Verona Red is an **affectionate, personable, engaging, and exceptionally sweet puppy**. She is confident without being pushy and has a natural preference toward interaction and connection with her people.

One of her strongest qualities is her **desire for human engagement**. She actively works for attention and enjoys being involved with people while still remaining respectful. She is tolerant during handling, with just a little initial wigginess before settling into the interaction.

Her energy is **mid level**, becoming briefly more animated when interaction begins before **naturally leveling back out**. This gives her an enjoyable, playful side without losing the balanced presentation seen throughout her evaluation.

Verona Red shows **good early potential for both service and therapy work**. Her people focus, affection, confidence, engagement, and balanced energy provide a promising foundation for continued working development.

She should be able to do well in **nearly any home**, particularly one that will appreciate her affectionate and interactive nature.

- **Physical Evaluation:**

No health concerns noted.

Verona White

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Briefly Excites for Interaction, Then Levels Off

- **Personality:**

Verona White is a **happy, sweet, balanced, playful, and personable puppy**. She is confident without being pushy and enjoys interacting with people, while also showing the ability to be **content playing independently**.

She demonstrates good engagement and a slight people preference without being overly dependent on attention. She is tolerant with handling and may be a little wiggly initially, but adjusts nicely. Her ability to enjoy her people while also entertaining herself gives her a particularly versatile disposition.

Although she showed some **mid-to-moderate energy during her initial observation**, her overall questionnaire presentation was mid level. She briefly became more excited with interaction and then **leveled herself back out**, showing useful regulation.

Verona White shows **good early potential for both service and therapy work**. Her confidence, engagement, tolerance, balanced social connection, and ability to function comfortably without constant attention create a nice foundation for continued development.

She is an adaptable puppy who should be able to **fit well into nearly any home environment.**

- **Physical Evaluation:**

No health concerns noted.

Verona **Pink Dot**

POTENTIAL SERVICE + THERAPY CANDIDATE

★ Prep Student: **8-Week S.T.A.R. Puppy Program**

Prep School will begin once this puppy has been adopted.

- **Energy Level:** Mid to Moderate — Calms for Handling

- **Personality:**

Verona Pink Dot is an **exceptionally affectionate, engaging, personable, and people-oriented puppy.** She is confident without being pushy and naturally gravitates toward interaction with her people.

She showed a strong desire for human attention during her evaluation and will **actively work for engagement.** She is tolerant with handling, with just a little initial wiggleness, and one of her most promising qualities is that despite becoming enthusiastic during interaction, she can **calm herself for handling.**

Her energy can rise into the **mid-to-moderate range with interaction**, but she demonstrated the ability to regulate that excitement rather than remaining elevated.

Verona Pink Dot shows **good early potential for both service and therapy work**. Her strong people orientation, affection, engagement, confidence, tolerance, and ability to calm during handling give her a promising foundation for continued working development.

She should do especially well with a family wanting an **interactive, highly connected companion** who can be actively involved in their life.

- **Physical Evaluation:**

No health concerns noted.

MEET THE PARENTS!

Meet The Parents

Verona x Adler — Parent Overview

Verona is an outgoing, affectionate, playful, and delightfully goofy girl. She loves to play, cuddle, roughhouse, "talk," and take part in just about any activity—as long as she's doing it with her people. Verona has an infectious enthusiasm for life and a fun-loving personality that makes her an absolute joy to be around.

Breed: F1B Goldendoodle

Weight: 60lbs

Adler is every bit as wonderful. He is outgoing, self-assured, and bubbly, carrying a calm confidence that sets him apart from many other males. While he has a steadier disposition, he still embraces the playful, dopey energy you would expect from a happy male dog. Adler is engaging, affectionate, and effortlessly easy to love.

Breed: F1B Goldendoodle

Weight: 34lbs

Together, Verona and Adler are expected to produce puppies that closely resemble both of their parents. We anticipate fun, outgoing, goofy, engaging, and incredibly sweet puppies with mid to moderate energy levels. This litter should thrive in active, interactive homes where they can be included in everyday adventures, while also settling down to enjoy plenty of affection and quality time with their families.
