Verona x Adler — Parent Overview

Verona is an outgoing, affectionate, playful, and delightfully goofy girl. She loves to play, cuddle, roughhouse, "talk," and take part in just about any activity—as long as she's doing it with her people. Verona has an infectious enthusiasm for life and a fun-loving personality that makes her an absolute joy to be around.

Breed: F1B Goldendoodle

Weight: 60lbs

Adler is every bit as wonderful. He is outgoing, self-assured, and bubbly, carrying a calm confidence that sets him apart from many other males. While he has a steadier disposition, he still embraces the playful, dopey energy you would expect from a happy male dog. Adler is engaging, affectionate, and effortlessly easy to love.

Breed: F1B Goldendoodle

Weight: 34lbs

Together, Verona and Adler are expected to produce puppies that closely resemble both of their parents. We anticipate fun, outgoing, goofy, engaging, and incredibly sweet puppies with mid to moderate energy levels. This litter should thrive in active, interactive homes where they can be included in everyday adventures, while also settling down to enjoy plenty of affection and quality time with their families.
