Arya x Archer — Parent Overview

Arya is an outgoing, bubbly, and incredibly engaging retriever. She is self-assured, confident, and unapologetically herself no matter the situation. Arya approaches life with enthusiasm and personality, carrying a natural confidence that allows her to walk into just about any environment and embrace it as her own.

Breed: English Retriever

Weight: 64lbs

Archer shares many of those same qualities, just with a calmer and more balanced approach. He is outgoing, playful, and deeply affectionate, with a particular love for interaction and snuggle time. Archer is simply a big, happy boy who loves life and is more than content to enjoy whatever the day brings alongside his people.

Breed: Standard Poodle

Weight: 63lbs

Together, Arya and Archer are expected to produce puppies that closely reflect their parents—happy, outgoing, confident, engaging, and wonderfully self-assured. We anticipate mid-level energy, strong people-oriented motivation, and puppies that remain true to themselves wherever they go. With their confidence, engagement, and balanced temperaments, this litter should have good potential for service work and be a wonderful fit for interactive homes looking for a deeply connected companion.
