

Cheyenne Girls Temperament Assessment

Cheyenne Girls Play Video

Date of Birth: 8/9/2026

Cheyenne Litter Temperament Overview:

Cheyenne and Captain have produced a **sweet, affectionate, personable, and beautifully people-oriented litter**. These puppies reflect many of the qualities seen in both parents: confidence without unnecessary pushiness, an enjoyment of human interaction, and the ability to participate happily in everyday life.

One of the strongest themes throughout this litter is their **focus and problem-solving ability for their age**. Several puppies also show a particularly strong preference for people, excellent engagement, and very good handling tolerance, creating some exciting early foundations for service and therapy development.

Energy varies somewhat between individuals, but the litter generally falls between **mid and mid-to-moderate**, with some puppies becoming more animated through play and interaction. Their individual evaluations are important for matching, as some are especially adaptable while others will be happiest with families who want a more interactive, engaging relationship.

Overall, this is a **lovely companion-focused litter**, particularly for families drawn to therapy-style qualities such as affection, connection, gentleness, tolerance, engagement, and a strong relationship with their people.

Cheyenne **Pink**

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cheyenne Pink is an **exceptionally affectionate, personable, engaging, and people-oriented girl** with great focus and confidence. She is self-assured without being pushy and naturally gravitates toward human connection, giving her an especially warm and relationship-driven personality. She was also relaxed during her initial handling evaluation.

She is **very tolerant with handling and demonstrates great human engagement**. Her strong preference for people, affectionate nature, focus, and responsiveness create a wonderful foundation for developing a close and intuitive relationship with her person.

Her baseline energy tested at a **textbook mid level**, while interaction can bring more excitement and animation out of her. She will be best appreciated in an **engaging home** where her affectionate, social nature can shine through interaction, play, training, and everyday companionship.

Pink shows **great early potential for both service and therapy work**. Her strong people orientation, excellent engagement, affection, focus, confidence, handling tolerance, and balanced baseline energy give her an excellent foundation for continued working development.

- **Physical Evaluation:**

No health concerns noted.

Cheyenne Red

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Playful & Engaging

- **Personality:**

Cheyenne Red is a **very well-balanced, gentle, respectful, playful, focused, and highly engaging girl** with great

confidence. She is self-assured without being pushy and brings an active, involved approach to interaction while maintaining a nicely balanced underlying temperament.

She has a **strong natural preference for her people and demonstrates great human engagement**. She is very tolerant with handling and enjoys being actively involved with those around her, creating a wonderful combination of connection, focus, responsiveness, and social motivation.

Her individual energy evaluation was a **textbook mid level**, while her playful, active presentation shows that she enjoys interaction and participation. She will be best suited to an **engaging home** that appreciates a connected puppy and enjoys giving her opportunities for play, learning, and involvement in everyday life.

Red shows **great early potential for both service and therapy work**. Her confidence, focus, strong people orientation, excellent engagement, handling tolerance, and balanced energy create a very promising foundation for continued working development.

- **Physical Evaluation:**

No health concerns noted.

Cheyenne White

POTENTIAL THERAPY / ESA CANDIDATE

- **Energy Level:** Mid — Consistent & Balanced

- **Personality:**

Cheyenne White is a **very well-balanced, gentle, respectful, personable, and engaging girl** with wonderful confidence and focus. She is self-assured without being pushy and has a naturally adaptable temperament, giving her a beautiful combination of sweetness, confidence, and composure.

She is **very tolerant with handling and shows very good human engagement**. She enjoys connecting with her people while retaining a healthy amount of independence, creating a nicely balanced social style that allows her to bond without needing constant attention.

Her energy is a **textbook mid level**, giving her enough playfulness and engagement to enjoy participating in everyday life while maintaining a manageable overall temperament. Her adaptability and balanced nature should allow her to fit beautifully into **a wide variety of homes and lifestyles**.

White shows **good early therapy and emotional-support potential**. Her gentleness, confidence, excellent handling tolerance, human engagement, focus, and balanced nature provide a promising foundation for continued development.

She is also **trending toward the smaller side of the litter**.

- **Physical Evaluation:**

No health concerns noted.

 **Meet The Proud Parents!**

Meet The Parents

Cheyenne x Captain — Parent Overview

Cheyenne is a sweet, outgoing, and beautifully well-balanced girl. She is happy to romp and play when that is what the moment calls for, but she is equally content crawling into your lap and settling in for cuddle time. Cheyenne has a wonderfully adaptable nature that allows her to enjoy both activity and affection while remaining deeply connected to her people.

Breed: F1 Goldendoodle

Weight: 37lbs

Captian is affectionate, self-assured, and outgoing, with an exceptionally balanced approach to life. He is open to just about anything and carries a strong motivation for interaction, making him an engaging and adaptable companion. His confidence and easygoing nature allow him to comfortably embrace whatever his people have planned.

Breed: Moyon Poodle

Weight: 32lbs

Together, Cheyenne and Captain are expected to produce puppies that closely reflect their parents—sweet, outgoing, self-assured, and wonderfully well-balanced. We anticipate puppies that naturally prefer being with their people while still remaining content and adaptable in a variety of situations. Energy levels should range from mid to mid-moderate, making this litter a wonderful fit for a wide variety of home environments.
