

Meet The Parents

Cheyenne x Captain — Parent Overview

Cheyenne is a sweet, outgoing, and beautifully well-balanced girl. She is happy to romp and play when that is what the moment calls for, but she is equally content crawling into your lap and settling in for cuddle time. Cheyenne has a wonderfully adaptable nature that allows her to enjoy both activity and affection while remaining deeply connected to her people.

Breed: F1 Goldendoodle

Weight: 37lbs

Captian is affectionate, self-assured, and outgoing, with an exceptionally balanced approach to life. He is open to just about anything and carries a strong motivation for interaction, making him an engaging and adaptable companion. His confidence and easygoing nature allow him to comfortably embrace whatever his people have planned.

Breed: Moyén Poodle

Weight: 32lbs

Together, Cheyenne and Captian are expected to produce puppies that closely reflect their parents—sweet, outgoing, self-assured, and wonderfully well-balanced. We anticipate puppies that naturally prefer being with their people while still remaining content and adaptable in a variety of situations. Energy levels should range from mid to mid-moderate, making this litter a wonderful fit for a wide variety of home environments.
