

Meet The Parents

Gamora x Micah — Parent Overview

Gamora is a sweet, gentle, affectionate, and incredibly personable Poodle. She carries a nicely average energy level and has an excellent desire to please, making her naturally responsive and connected to her people. Gamora approaches both people and the world around her with a gentle, charismatic nature that makes her an exceptionally endearing mother.

Breed: Moyen Poodle

Weight: 37lbs

Micah brings a little more enthusiasm to the pairing. He is bubbly, boisterous, and an absolute goofball with a moderate energy level and a personality that makes him the life of every room he enters. Like Gamora, Micah has an excellent desire to please and thrives on interaction, bringing confidence, excitement, and plenty of personality to everything he does.

Breed: F2B Goldendoodle

Weight: 29lbs

Together, Gamora and Micah are expected to produce puppies that beautifully blend their parents' temperaments—sweet, gentle, affectionate, bubbly, and self-assured. We anticipate excellent people focus and a strong desire to engage and please. Energy levels should sit comfortably at mid-level, naturally rising with interaction before settling back down, making these puppies engaging, balanced companions for a wide variety of home environments.
