Date of Birth: 7/12/2026

Hattie Litter Temperament Overview:

The Hattie litter is an exceptionally **personable, bubbly, confident, playful, affectionate, and people-oriented group**. These puppies have big, happy personalities and genuinely love human interaction. They are silly, social, curious, and incredibly engaging—the type of puppies who want to participate in life right alongside their people.

One of the biggest standouts throughout this litter is their **extraordinary human focus and engagement**. Every puppy evaluated showed a very strong preference toward people and excellent engagement, while also demonstrating very good handling tolerance. They are highly interactive, relationship-driven puppies who thrive on connection and involvement with their person.

This litter also has **outstanding potential for service, therapy, and alert work**. Every puppy received an exceptional working-potential evaluation, with the individual assessments describing them as **incredible candidates**. Their confidence, people orientation, focus, engagement, tolerance, and eagerness to interact give them a truly exciting foundation for continued working development.

Energy varies slightly throughout the litter but generally falls within the **mid to moderate range**, often increasing with interaction. They are playful and enthusiastic without losing that strong connection to their person, making them wonderful matches for engaging homes looking for an interactive companion.

Overall, this is an **exceptionally engaging, affectionate, confident, and versatile litter** with standout working potential and wonderful family-companion qualities. Their color is expected to **stay the same**, and the litter carries **between 1/4 and 3/4 Low Shed Genetic Markers**.

Hattie Blue

POTENTIAL SERVICE + ALERT CANDIDATE

- **Energy Level:** Mid to Moderate — Excites for Interaction

- **Personality:**

Hattie Blue is an **extremely confident, personable, playful, silly, social, and highly engaging puppy** with a huge love for human interaction. He approaches life with enthusiastic “best day ever” energy and genuinely wants to be involved with his people. He is extremely people-oriented and earned **excellent marks for human engagement**, making connection one of the strongest features of his temperament.

He is exceptionally confident and can occasionally be a little pushy in that confidence, but he is also **very tolerant with handling**. His wiggleness during close interaction comes from excitement rather than discomfort—he is enthusiastic, interactive, curious, and thrilled to be involved.

His energy sits in the **mid-to-moderate range and rises with interaction**, making him best suited for an engaging home looking for a true companion who wants to participate in everyday life rather than simply coexist alongside his family.

Hattie Blue is an **exceptional early service, therapy, and alert prospect**. He received a 9/10 working-potential evaluation and was specifically described as an “incredible candidate.” His extraordinary people focus, excellent engagement, confidence, curiosity, tolerance, and desire to interact give him a standout foundation for continued working development.

- **Physical Evaluation:**

Puppy has a **mild underbite**. This is very minor and will likely correct as he continues to grow. It will not affect daily life or cause any discomfort and is purely cosmetic. This has been cleared by our vet.

★ Prep Student: **8-Week S.T.A.R. Puppy Program**
Prep School will begin once adopted.

POTENTIAL SERVICE + ALERT CANDIDATE

- **Energy Level:** Mid to Moderate — Excites for Interaction

- **Personality:**

Hattie Green is an exceptionally **personable, gentle, sweet, affectionate, and people-oriented puppy**. Although he is highly confident, his overall presentation during handling was relaxed, and he combines that confidence with a very affectionate desire to connect with his person.

Human connection is one of his greatest strengths. He is **extremely people-oriented with excellent engagement**, actively seeking interaction and showing a strong desire to remain involved with his person. He is also very tolerant with handling; while he can become wiggly with excitement, that enthusiasm reflects just how much he enjoys interaction.

His energy is **mid to moderate and increases with interaction**, giving him a fun, playful side while maintaining a manageable everyday baseline. He will thrive with a family looking for a genuinely connected companion who wants to participate in life with them.

Hattie Green is an **exceptional early service, therapy, and alert prospect**, earning a 9/10 working-potential score and the description “incredible candidate.” His strong human focus, exceptional engagement, affection, confidence, and tolerance create a standout working foundation. His **8-Week S.T.A.R. Puppy Program** will give him an additional head start through structured training, socialization, and continued development of these already-exceptional qualities—whether he ultimately pursues working development or becomes a wonderfully trained family companion.

- **Physical Evaluation:**

No health concerns noted.
