Date of Birth: 7/12/2026

Hattie Litter Temperament Overview:

The Hattie litter is an exceptionally **personable, bubbly, confident, playful, affectionate, and people-oriented group**. These puppies have big, happy personalities and genuinely love human interaction. They are silly, social, curious, and incredibly engaging—the type of puppies who want to participate in life right alongside their people.

One of the biggest standouts throughout this litter is their **extraordinary human focus and engagement**. Every puppy evaluated showed a very strong preference toward people and excellent engagement, while also demonstrating very good handling tolerance. They are highly interactive, relationship-driven puppies who thrive on connection and involvement with their person.

This litter also has **outstanding potential for service, therapy, and alert work**. Every puppy received an exceptional working-potential evaluation, with the individual assessments describing them as **incredible candidates**. Their confidence, people orientation, focus, engagement, tolerance, and eagerness to interact give them a truly exciting foundation for continued working development.

Energy varies slightly throughout the litter but generally falls within the **mid to moderate range**, often increasing with interaction. They are playful and enthusiastic without losing that strong connection to their person, making them wonderful matches for engaging homes looking for an interactive companion.

Overall, this is an **exceptionally engaging, affectionate, confident, and versatile litter** with standout working potential and wonderful family-companion qualities. Their color is expected to **stay the same**, and the litter carries **between 1/4 and 3/4 Low Shed Genetic Markers**.

POTENTIAL SERVICE + ALERT CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Hattie Pink is an **extremely engaging, happy, focused, silly, playful, and people-oriented puppy** with a bubbly,

interactive personality. She is highly confident and naturally drawn to people, approaching interaction with enthusiasm and a genuine desire to participate.

Her human connection is one of her most impressive qualities. She is **extremely people-oriented with excellent engagement**, making her naturally attentive and responsive to the people around her. She is also very tolerant with handling. She can become wiggly because she is so excited to interact, giving her that adorable “best day ever” quality rather than resistance to being handled.

Her baseline energy is **mid level and can rise toward moderate during interaction**, giving her a fun balance of playfulness and everyday manageability. She will be happiest in an engaging home that wants a companion who is actively involved in family life.

Hattie Pink is an **exceptional early service, therapy, and alert prospect**, receiving a 9/10 working-potential score and being identified as an “incredible candidate.” Her extraordinary engagement, focus, confidence, people orientation, and tolerance give her a standout foundation for becoming a deeply connected and intuitive working companion. Her **8-Week S.T.A.R. Puppy Program** will further develop those qualities while giving her an excellent training foundation whether she ultimately continues toward working development or becomes a highly connected family companion.
