Hattie x Marcel — Parent Overview

Hattie is an outgoing, silly, playful, affectionate, and incredibly engaging girl. She is the personal dog of Carol, our Chief Medical Officer, and the first dog Carol has chosen for herself in over a decade—and for very good reason. That speaks volumes to the caliber of dog Hattie is. She brings an exceptional combination of personality, connection, and engagement, making her every bit as special as she is fun.

Breed: F1B Schnoodle

Weight: 25lbs

Marcel has a remarkably similar disposition. He is outgoing, playful, cuddly, and the definition of "work hard, play hard" packed into an adorable 12-pound body. Marcel runs, jumps, plays, cuddles, kisses, and even sleeps with everything he has. Whatever the moment calls for, he throws his entire personality into it.

Breed: F1B Goldendoodle

Weight: 12.5lbs

Together, Hattie and Marcel are expected to produce puppies that closely mirror their parents—silly, playful, funny, outgoing, goofy, affectionate, and exceptionally engaging. We anticipate mid to moderate energy levels, strong people-oriented motivation, and excellent potential for service or therapy work. This litter should thrive in engaging homes looking for an intelligent, interactive companion that wants to be an active part of everyday life.
