Date of Birth: 6/19/2026

Nilla Litter Temperament Overview:

The Nilla litter is a **playful, curious, social, and highly personable group** with a wonderful mix of affectionate people-focus and well-balanced independence. Across the litter, these puppies are sweet, silly, intelligent, engaging, and eager to interact, while still showing the ability to settle and adapt appropriately.

Energy levels are consistently **mid level**, with some puppies becoming more animated through interaction. Several puppies show **very nice early potential for service and/or therapy work**, while others are especially well suited as affectionate, adaptable family companions. Overall, this is a fun, well-rounded litter that should thrive in homes that enjoy making their dog an active part of everyday life.

Nilla Green Stripe

★ Prep Student: **8-Week S.T.A.R. Puppy Program**

- **Energy Level:** Mid Level

- **Personality:**

Nilla Green Stripe is a personable, silly, affectionate, and gentle puppy with a particularly sweet people-oriented nature. He may need a moment to feel completely comfortable initially, but once settled, he becomes **very engaged, focused, curious, and connected**.

He strongly prefers being with people and shows above-average engagement. He is also very tolerant with handling, although some initial tension may be present until he has had an opportunity to adjust.

His energy is a steady mid level, giving him a nicely manageable presentation. Nilla Green Stripe shows **some nice early potential for therapy-oriented work**, particularly through his people preference, engagement, gentleness, and tolerance, with continued confidence building being an important part of his development.

Overall, he is an affectionate, respectful, and engaging puppy who should flourish in a home that gives him a comfortable adjustment period and plenty of positive interaction.

- **Physical Evaluation:**

No health concerns noted.

Nilla Blue

POTENTIAL SERVICE CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Blue is a confident, well-balanced, and easygoing puppy who approaches his environment with curiosity without being overly assertive. He is social, playful, and affectionate, with a nice ability to enjoy interaction while also being content and self-sufficient when needed.

He has a natural preference toward people and shows good engagement and connection. He is tolerant with handling, although he can become a little mouthy during interaction, which is age-appropriate puppy behavior and something that can continue to improve with consistent manners and training.

Nilla Blue maintains a steady mid-level energy and shows a versatile temperament that should allow him to adapt well to many different home environments. His balance of confidence, engagement, affection, and responsiveness gives him **really good early potential for service work** as he continues to mature and develop.

- **Physical Evaluation:**

No health concerns noted.

Nilla Green

POTENTIAL SERVICE CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Green is a sweet, personable, and affectionate puppy with a gentle nature and a natural interest in his people. He is confident without being pushy and presents as curious, socially comfortable, and nicely engaged.

He has a people-oriented temperament while still maintaining enough independence to remain balanced. Nilla Green is tolerant with handling, although he can become a little mouthy during interaction, which is appropriate puppy behavior and can continue to improve through training and maturity.

His energy remains consistently mid level, giving him a very manageable and adaptable presentation. His combination of affection, engagement, confidence, and responsiveness gives him **really good early potential for service work**. Overall, he is a well-rounded puppy who should adapt beautifully to a variety of homes.

- **Physical Evaluation:**

No health concerns noted.

Nilla Orange

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Orange is an **extremely affectionate, focused, and people-oriented puppy** who shows a very strong desire to connect. He actively works to gain and maintain attention and is highly engaged with the people around him, making human interaction a clear motivator for him.

He is confident without being overly pushy and demonstrates good tolerance with handling, although he may become a little mouthy during interaction. His strong people-focus, attentiveness, and desire to remain connected are particularly notable qualities in his temperament.

Nilla Orange maintains a mid-level energy that may rise with engagement, but his overall presentation remains nicely balanced. He showed **excellent early indicators for both service and therapy work**, particularly through his focus, affection, engagement, and motivation toward people.

Overall, Nilla Orange is a highly connected, personable, and engaging puppy with a very promising foundation for continued advanced training.

- **Physical Evaluation:**

No health concerns noted. Nilla Orange is currently smaller in comparison to his littermates.

Nilla Blue Dot

POTENTIAL SERVICE CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Blue Dot is a confident, well-balanced, and adaptable puppy with a curious and playful personality. He is social and affectionate while showing a little more independence by comparison, giving him a nice ability to enjoy interaction without requiring constant attention.

He naturally leans toward his people and demonstrates good engagement and responsiveness. He is tolerant with handling, although he may become a little mouthy during interaction, which is appropriate puppy behavior and can continue to improve with consistent training.

His energy is a steady mid level throughout, supporting his overall balanced and versatile temperament. Nilla Blue Dot shows **really good early potential for service work** through his confidence, engagement, adaptability, and connection to people.

Overall, he is an affectionate, curious, and well-rounded puppy who should adapt nicely to many different home environments.

- **Physical Evaluation:**

No health concerns noted.

Nilla Green Dot

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Green Dot is an **exceptionally affectionate, engaged, and focused puppy** who places a very high value on human interaction. He naturally works to gain and maintain attention and shows a strong desire to remain connected to the people around him.

He is confident without being overly pushy and demonstrates a clear people-oriented motivation. He is tolerant with handling, although his enthusiasm can occasionally present through age-appropriate mouthiness during interaction.

Nilla Green Dot carries a mid-level energy that can rise with engagement, pairing his playful side with an impressive ability to focus on people. His **excellent early service and therapy potential** is supported by his strong engagement, focus, affection, and natural motivation to connect.

Overall, he is a highly personable and people-focused puppy with a very promising temperament for a family interested in continuing advanced training.

- **Physical Evaluation:**

No health concerns noted.

Nilla **Blue Stripe**

- **Energy Level:** Mid Level

- **Personality:**

Nilla Blue Stripe is an even-keeled, gentle, and very sweet puppy who may need a little extra time to become completely comfortable in a new situation. Once given that adjustment period, his affectionate, curious, and social personality begins to come through beautifully.

He clearly prefers being with people and shows above-average engagement, while remaining soft and respectful in his interactions. He is **very tolerant with handling**, although he can initially carry some tension until he feels secure.

Nilla Blue Stripe maintains a textbook mid-level energy and shows **some nice early potential for therapy-oriented work**, particularly through his gentleness, tolerance, people preference, and affectionate nature. Continued confidence building will be important in allowing those qualities to develop further.

Overall, he is a thoughtful and loving puppy who will thrive with a family willing to give him a moment to adjust without overwhelming him.

- **Physical Evaluation:**

No health concerns noted.

MEET THE PARENTS!

Meet The Parents

Nilla x Marcel — Parent Overview

Nilla is a sweet, playful, bubbly, and outgoing girl with a wonderfully balanced personality. While she is perfectly capable of entertaining herself and being independent when needed, her true preference is being with her people. Nilla is naturally engaging, personable, and people-oriented, bringing warmth and enthusiasm to every interaction.

Breed: Moyen Poodle

Weight: 24lbs

Marcel shares many of those same qualities, just with a little more intensity on both ends of the spectrum. He is outgoing, playful, cuddly, and the definition of "work hard, play hard" packed into an adorable 12-pound body. Marcel runs, jumps, plays, cuddles, kisses, and even sleeps with his whole heart, putting everything he has into every moment.

Breed: F1B Goldendoodle

Weight: 12.5lbs

Together, Nilla and Marcel are expected to produce puppies that closely reflect their parents—sweet, cuddly, playful, silly, goofy, and highly engaging. We anticipate mid to moderate energy levels, strong people-oriented motivation, and puppies that thrive on interaction and companionship. This litter should be a wonderful fit for a wide variety of homes, especially those looking for an affectionate companion to be actively involved in everyday life.
