

Nilla Girls Temperament Assessment

[Nilla Litter Play Video](#)

Date of Birth: 6/19/2026

Nilla Litter Temperament Overview:

The Nilla litter is a **playful, curious, social, and highly personable group** with a wonderful mix of affectionate people-focus and well-balanced independence. Across the litter, these puppies are sweet, silly, intelligent, engaging, and eager to interact, while still showing the ability to settle and adapt appropriately.

Energy levels are consistently **mid level**, with some puppies becoming more animated through interaction. Several puppies show **very nice early potential for service and/or therapy work**, while others are especially well suited as affectionate, adaptable family companions. Overall, this is a fun, well-rounded litter that should thrive in homes that enjoy making their dog an active part of everyday life.

Nilla Pink

POTENTIAL SERVICE CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Nilla Pink is an even-keeled, well-balanced, and gentle puppy with a confident but respectful approach to her environment. She is affectionate, curious, playful, and naturally engaging, making her a very adaptable and enjoyable puppy to interact with.

She shows a natural preference toward people and good engagement while still maintaining enough independence to remain nicely balanced. She is tolerant with handling, although she can show some age-appropriate mouthiness during interaction.

Nilla Pink carries a consistent mid-level energy and has the versatility to adapt well to a variety of home environments. Her confidence, people-focus, engagement, and overall balance give her **really good early potential for service work** as she continues to mature and develop.

Overall, she is a sweet, capable, and well-rounded puppy with a lovely foundation for both companionship and continued advanced training.

- **Physical Evaluation:**

No health concerns noted.

Nilla x Marcel — Parent Overview

Nilla is a sweet, playful, bubbly, and outgoing girl with a wonderfully balanced personality. While she is perfectly capable of entertaining herself and being independent when needed, her true preference is being with her people. Nilla is naturally engaging, personable, and people-oriented, bringing warmth and enthusiasm to every interaction.

Breed: Moyen Poodle

Weight: 24lbs

Marcel shares many of those same qualities, just with a little more intensity on both ends of the spectrum. He is outgoing, playful, cuddly, and the definition of "work hard, play hard" packed into an adorable 12-pound body. Marcel runs, jumps, plays, cuddles, kisses, and even sleeps with his whole heart, putting everything he has into every moment.

Breed: F1B Goldendoodle

Weight: 12.5lbs

Together, Nilla and Marcel are expected to produce puppies that closely reflect their parents—sweet, cuddly, playful, silly, goofy, and highly engaging. We anticipate mid to moderate energy levels, strong people-oriented motivation, and puppies that thrive on interaction and companionship. This litter should be a wonderful fit for a wide variety of homes, especially those looking for an affectionate companion to be actively involved in everyday life.
