

Queenie Girls Temperament Assessment

Queenie Girls Play Video

Date of Birth: 6/27/2026

Queenie Litter Temperament Overview:

The Queenie litter is an **exceptionally sweet, affectionate, happy, playful, and charismatic group**. These puppies are social, curious, self-assured, and outgoing, with an overall confident approach to people and their environment. Most of the litter is especially people-focused and engaging, showing a strong desire to interact, connect, and be involved with their people.

Overall, they have **very good potential for service and/or therapy work**, with several puppies standing out as especially strong candidates based on their human focus, confidence, engagement, and social nature. Energy across the litter is primarily **mid level, with several puppies rising into mid-to-moderate energy during interaction and play**.

This litter will be best suited to homes that want an affectionate, interactive companion and will enjoy keeping their puppy involved in everyday life. While most strongly prefer engagement with their people, there is some individual variation within the litter, including one puppy who is notably more independent and self-sufficient.

Queenie **Pink**

POTENTIAL SERVICE + THERAPY CANDIDATE

★ Prep Student: **4-Week Starter Puppy Program**

- *Prep School will begin once this puppy has been adopted.*

- **Energy Level:** Mid Level

- **Personality:**

Queenie Pink is a **very personable, affectionate, happy, playful, and engaging girl** with a wonderfully sweet and social disposition. She is extremely confident and self-assured while also maintaining a strong natural focus on people.

She actively enjoys interaction and connection, showing very good human engagement and a people-focused nature. She is tolerant with handling, although she may become a little wiggly with excitement.

Overall, Queenie Pink demonstrates **great early potential for both service and therapy work**. Her confidence, engagement, people focus, social disposition, and steady mid-level energy create a promising foundation for future working development.

She will be best suited to an **engaging home** where she can remain involved with her people and continue developing her naturally social and connected temperament.

- **Physical Evaluation:**

No health concerns noted.

Queenie Red

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level — Excites with Interaction

- **Personality:**

Queenie Red is a **very personable, affectionate, happy, playful, and engaging girl**. She is highly confident and self-assured, with a strong people focus and natural desire to connect with those around her.

She is very engaging and socially motivated, while remaining tolerant with handling even though she can become a little wiggly when excited. Her energy is mid level at baseline and can rise into the mid-to-moderate range during interaction and play.

Overall, Queenie Red demonstrates **great early potential for both service and therapy work**. Her confidence, people focus, strong engagement, affectionate nature, and social disposition create a very promising combination for continued working development.

She will be happiest in an **engaging, interactive home** where she can be included in everyday life and receive plenty of connection with her people.

- **Physical Evaluation:**

No health concerns noted.

Meet The Parents

Queenie x Adler — Parent Overview

Queenie is a sweet, outgoing, and incredibly charming poodle with enough charisma to light up any room. She has a wonderfully affectionate nature and a unique way of showing it—often reaching out with her paws as if trying to pet you back and leaning so enthusiastically into hugs that she nearly falls over. Queenie is simply a sweetheart through and through, bringing warmth and joy to everyone she meets.

Breed: F2 Goldendoodle

Weight: 33lbs

Adler is every bit as special. He is outgoing, self-assured, and bubbly, carrying a calm confidence that sets him apart from many other males. While he has a steadier disposition, he still embraces the playful, dopey energy you would expect from a happy male dog. Adler is engaging, affectionate, and effortlessly easy to love.

Breed: Mini Poodle

Weight: 17lbs

Together, Queenie and Adler are expected to produce puppies whose temperaments truly define them. We anticipate exceptionally sweet, outgoing, charismatic, self-assured, and bubbly puppies that are deeply engaged with their people. With mid-level energy that naturally rises with interaction, this litter should produce outstanding service, therapy, and alert dog candidates while also making incredible companions for families looking for a truly connected and affectionate partner.
