Torrance Litter Temperament Overview:

The Torrance litter is an **exceptionally people-focused, engaging, affectionate, confident, and attentive group**. These puppies are naturally drawn to people and show an impressive desire to connect, interact, and remain involved with the person working with them. Across the litter, we saw **outstanding focus and alertness for their age**, paired with confident, self-assured temperaments and excellent tolerance with handling.

One of the biggest standouts within this litter is their **working potential**. Every puppy demonstrated qualities that may lend themselves beautifully to **service, therapy, and/or alert work**, with several showing particularly exceptional early potential. They are gentle, curious, socially engaged, highly attentive, and responsive to human interaction.

Overall, this is a very special litter of **sweet, focused, affectionate, confident, and highly engaging puppies** with primarily mid-level energy. They will be best suited to homes looking for a true companion or potential working companion—someone who wants their puppy involved in everyday life, engaged with their people, and given opportunities to use their natural focus and desire for connection.

Coat Notes: This litter is not expected to fade.

Torrance **Pink**

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid Level

- **Personality:**

Torrance Pink is a **very well-balanced, gentle, respectful, easy-going, and confident girl** with a wonderful go-with-the-flow nature. She is curious and self-assured without being pushy and has a natural lean toward people while still maintaining a beautifully balanced temperament.

She is **very engaging and exceptionally tolerant with handling**, showing an impressive ability to remain comfortable and cooperative through physical interaction. Her combination of confidence, alertness, focus, tolerance, and people orientation gives her a wonderful foundation for continued development.

Torrance Pink demonstrates **really good early potential for both service and therapy work**. She has many of the qualities we look for in a future working companion while remaining adaptable enough to fit beautifully into a variety of home environments.

Her energy is a steady mid level through and through. Overall, she is an **affectionate, confident, highly tolerant, and well-rounded girl** who should transition beautifully into an engaging companion or working-companion home.

- **Physical Evaluation:**

No health concerns noted.

Torrance Red

POTENTIAL SERVICE + THERAPY + ALERT CANDIDATE

- **Energy Level:** Mid Level — Excites Slightly with Interaction

- **Personality:**

Torrance Red is an **exceptionally personable, gentle, affectionate, focused, and engaging girl** with a very strong natural connection to people. She is confident and self-assured without being pushy and actively prefers being close to and involved with her people.

One of her biggest standouts is her **outstanding focus and alertness for her age**. She is extremely engaging and attentive, showing a natural desire to connect with and remain focused on the person interacting with her.

She is also **very tolerant with handling**, giving her an impressive combination of confidence, tolerance, human focus, engagement, and alertness.

Torrance Red demonstrates **excellent early potential for service, therapy, and alert work**. Her temperament assessment reflects an exceptionally promising working-companion profile, particularly through her **9/10 human engagement and 9/10 working potential**.

Her energy is mid level and excites slightly with interaction, but **not to an excessive or obnoxious level**. She will be best suited to an engaging home looking for a true **shadow, companion, or working companion**, rather than a puppy expected to simply entertain herself independently.

- **Physical Evaluation:**

No health concerns noted.

Torrance White

POTENTIAL SERVICE + THERAPY + ALERT CANDIDATE

- **Energy Level:** Mid Level — Excites Slightly with Interaction

- **Personality:**

Torrance White is a **very personable, gentle, affectionate, confident, and exceptionally engaging girl**. She naturally prefers people and shows an impressive level of connection, focus, and awareness for her age.

Her **outstanding focus and alertness** are major strengths. She is extremely engaging and naturally attentive to the person working with her, while also remaining confident and comfortable in her environment.

She is **very tolerant with handling**, further strengthening an already impressive temperament profile. Her combination of people focus, confidence, tolerance, engagement, and exceptional alertness gives her an excellent foundation for future working development.

Torrance White demonstrates **excellent early potential for service, therapy, and alert work**. With both her human focus and working potential scoring exceptionally high, she is a particularly promising candidate for a home interested in continuing that development.

Her energy is mid level and excites slightly for interaction without becoming excessive. She will be best suited to an engaging home looking for a **shadow, companion, or future working companion** who can be actively involved in everyday life.

- **Physical Evaluation:**

No health concerns noted.

Torrance **Pink Dot**

POTENTIAL SERVICE + THERAPY CANDIDATE

Torrance x Voodoo — Parent Overview

Torrance is an incredibly engaging, affectionate, self-assured, and outgoing girl. She is the prototype of what we look for in a service or therapy dog, which is why so many of her puppies from previous litters have gone on to become service and therapy dogs in classrooms, hospitals, and for individuals. Torrance naturally seeks connection with people and possesses the confidence, steadiness, and intuitive nature that make her truly exceptional.

Breed: F1B Goldendoodle

Weight: 59lbs

Voodoo is a sweet, affectionate, fun, and highly engaging boy. He loves to play, loves to run, loves to cuddle, and simply loves life. Voodoo brings a joyful, easygoing spirit to everything he does, pairing his playful nature with a deep love for people and interaction.

Breed: Standard Poodle

Weight: 69lbs

Together, Torrance and Voodoo are expected to produce puppies that closely reflect the outstanding temperaments of their parents. We anticipate sweet, affectionate, outgoing, and highly engaging puppies with exceptional people-oriented motivation. This litter should have excellent potential for service and therapy work, making them especially well suited for homes seeking a puppy with the temperament, intelligence, and desire to excel in a working role while also serving as a devoted companion.
