

Meet The Parents

Armani x Cosmo — Parent Overview

Armani is outgoing, confident, and incredibly sweet. She is a wonderful representation of the Smeraglia Goldendoodle in every way, from her beautiful appearance to her exceptional temperament. Armani is engaging, focused, and people-oriented, bringing together the confidence, connection, and overall balance we strive for in our program.

Breed: F1 Goldendoodle

Weight: 62lbs

Cosmo is just as wonderful a representation of the Smeraglia bloodline. He is outgoing, affectionate, engaging, and delightfully silly, with a personality that makes him incredibly enjoyable to be around. Cosmo also brings excellent physical qualities to the pairing, including the proper genetics to produce non-shedding puppies, a beautiful intense red coloration, and a loose coat for a Poodle.

Breed: Mini Poodle

Weight: 10lbs

Together, Armani and Cosmo are expected to produce puppies that truly carry the mantle of the Smeraglia Standard. These puppies are genetically non-shedding and DNA clear, with beautiful coloration that is expected to intensify as they mature. Temperamentally, we anticipate engaging, sweet, affectionate, and confident puppies with strong people-oriented motivation. With mid-level energy that rises with interaction, this litter should produce excellent service and therapy candidates while also being exceptional companions for families looking for the complete Smeraglia package.
