Date of Birth: 8/24/2026

Cinderella Litter Temperament Overview:

Cinderella and Bud bring together such a lovely mix of **affection, gentleness, personality, and playfulness**. Cinderella is an incredibly sweet, charismatic girl who seeks connection softly and would choose being a lap dog whenever possible. Bud adds a little more sparkle—he is outgoing, bubbly, playful, funny, and approaches life with a wonderfully happy enthusiasm.

Their puppies are developing into a **sweet, gentle, respectful, tolerant, and well-balanced group**. They are not fearful puppies, although several appreciate a brief moment to take in something unfamiliar before their confidence and personality fully come forward. As they continue to mature and gain experiences, we expect their confidence and engagement to continue strengthening.

Energy is a consistent **mid level across the litter**, with a natural rise during play and interaction. They have that soft, affectionate side inherited from Cinderella alongside some of Bud's playful enthusiasm, giving them a lovely balance between companionship and fun.

This litter also has **promising early service and therapy potential**, with strong human engagement, people orientation, tolerance, and balanced temperaments throughout the group. As an added bonus, these puppies are **genetic non-sheds**!

Cinderella Blue

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Blue is a **sweet, affectionate, gentle, and engaging boy** with a thoughtful approach to brand-new situations. He may initially take a moment to understand unfamiliar surroundings, but he adjusts well and becomes **self-assured, easygoing, personable, and beautifully balanced** once comfortable.

Blue naturally leans toward his people and showed **great human engagement**. During handling, he was initially a little unsure but remained tolerant and receptive throughout, which speaks nicely to his ability to process something unfamiliar and adjust rather than becoming overwhelmed.

His baseline energy is **mid level and rises naturally with play and interaction**. He has a fun, engaging side when something is happening while still maintaining the gentle, respectful nature seen throughout this litter.

Blue showed **great early potential for service and therapy development**. His human engagement, people orientation, gentleness, tolerance, and ability to adjust give him a promising foundation as his confidence continues to mature.

Blue will do especially well in an **engaging, predictable home environment** that allows him a brief moment to acclimate to unfamiliar situations while continuing to build his confidence through positive experiences. Once comfortable, he is an incredibly sweet, connected, and easygoing companion.

- **Physical Evaluation:**

No health concerns noted.

Cinderella Green

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Green is a **sweet, affectionate, gentle, and well-balanced boy** with a confident nature and a wonderful

interest in his people. While he needed a little time to settle into the broader evaluation environment, his overall temperament is confident without being pushy, and he adjusts nicely once he understands something new.

Green has a slight natural preference for people and showed **great human engagement and very good handling tolerance**. He is receptive to affection and interaction while maintaining the respectful, easygoing demeanor that characterizes this litter.

His energy sits at a **balanced mid level and rises with play and interaction**. Green has enough enthusiasm to enjoy activities, learning, and everyday adventures with his family while maintaining a very manageable baseline.

Green showed **great early potential for service and therapy development**. His confidence, people orientation, strong engagement, handling tolerance, affection, and balanced energy give him a promising foundation for continued development.

Green will be a wonderful match for an **engaging home** that wants a sweet, connected puppy involved in everyday life. He brings together affection, confidence, playfulness, gentleness, and a genuine desire to interact with his people.

• **Physical Evaluation:**

No health concerns noted.

Cinderella Orange

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Orange is a **sweet, confident, gentle, and easygoing boy** with an especially balanced presentation. He approached his evaluation comfortably and showed a lovely combination of self-assurance, respectfulness, affection, and engagement.

Orange naturally leans toward his people and showed **great human engagement and very good tolerance with handling**. He enjoys connection without being overly demanding and has a soft, receptive social style that complements his confident nature beautifully.

His baseline energy is **mid level and rises naturally with play and interaction**. He has plenty of personality for fun, activities, and engagement with his family while maintaining a comfortable and manageable everyday energy.

Orange showed **great early potential for service and therapy development**. His confidence, human engagement, people orientation, handling tolerance, gentleness, and balanced temperament give him a promising foundation for continued working development.

Orange will do especially well in an **engaging home** that appreciates a puppy who enjoys being included. He is a lovely combination of **confidence, sweetness, affection, tolerance, and easygoing companionship**.

- **Physical Evaluation:**

Cinderella **Blue Dot**

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Blue Dot is a **sweet, gentle, respectful, and engaging boy** who takes a thoughtful approach to something brand new. He may need a brief moment to understand an unfamiliar situation, but he adjusts and becomes **self-assured, easygoing, affectionate, and well balanced** once comfortable.

Blue Dot naturally leans toward his people and showed **great human engagement**. He was a little unsure during portions of handling but remained tolerant and receptive, showing that he can work through initial uncertainty and become more comfortable as he understands what is being asked of him.

His baseline energy is **mid level and naturally rises with play and interaction**. He has a fun, engaging side while still carrying the gentle and respectful qualities seen throughout the litter.

Blue Dot showed **great early potential for service and therapy development**. His engagement, people orientation, gentleness, tolerance, and ability to adjust provide a promising foundation, with continued maturity and positive experiences expected to further strengthen his confidence.

Blue Dot will do especially well in an **engaging, predictable home environment** that gives him a moment to acclimate to unfamiliar experiences. He is a very sweet, connected puppy whose personality continues to come forward as he becomes comfortable.

- **Physical Evaluation:**

Blue Dot has a small umbilical hernia. This is very common at this age and is not a health concern. It will not affect daily life or cause pain and can be easily corrected at the time of spay or neuter if still present.

Cinderella **Green Dot**

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Green Dot is a **sweet, gentle, affectionate, and engaging boy** with a thoughtful side when experiencing something unfamiliar. He may take a brief moment to orient himself, but once he has had that opportunity, he adjusts into the **self-assured, easygoing, and well-balanced puppy** seen in his broader evaluation.

Green Dot naturally leans toward people and showed **great human engagement**. He remained tolerant during handling even while initially processing something unfamiliar, giving him a soft, receptive quality that should continue to strengthen with maturity and positive experiences.

His baseline energy is **mid level and rises naturally during play and interaction**. He has plenty of personality and enthusiasm to engage with his family while maintaining a manageable everyday energy level.

Green Dot showed **great early potential for service and therapy development**. His people orientation, engagement, sweetness, tolerance, and ability to adjust provide a promising foundation, with continued confidence-building helping those qualities become even stronger.

Green Dot will do especially well in an **engaging, predictable home environment** that gives him a brief opportunity to acclimate to unfamiliar experiences. He is a connected, affectionate boy with a lovely balance between gentleness and playful engagement.

• **Physical Evaluation:**

Green Dot currently has **one testicle that is not present/descended**. This is common in young puppies and may change as he continues to mature. It will not affect his everyday comfort or quality of life. His bite is level, which is a normal bite alignment.

Cinderella Orange Dot

POTENTIAL SERVICE + THERAPY CANDIDATE

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Cinderella Orange Dot is a **sweet, gentle, affectionate, and engaging boy** who benefits from a brief moment to understand something unfamiliar before fully settling in. Once he has had that opportunity, he becomes **self-assured, easygoing, respectful, and beautifully balanced**.

Orange Dot naturally leans toward his people and showed **great human engagement**. While he carried a little initial uncertainty during handling, he remained tolerant and receptive, showing an ability to adjust as he becomes familiar with a new experience.

His baseline energy is **mid level and rises naturally with play and interaction**. He has an engaging, playful side while maintaining the softer, gentler demeanor that runs throughout this litter.

Orange Dot showed **great early potential for service and therapy development**. His people orientation, engagement, tolerance, sweetness, and ability to adjust provide a promising early foundation, with continued maturity and positive experiences expected to strengthen his confidence further.

Orange Dot will do especially well in an **engaging, predictable home environment** that gives him a moment to acclimate when something is completely new. Once comfortable, he is a sweet, connected, and personable puppy who enjoys being involved with his people.

- **Physical Evaluation:**

Orange Dot currently has **one testicle present but undescended**. This is common in young puppies and it may descend as he continues to mature. It will not cause pain or affect his everyday life.

 **Meet The Proud Parents!**

Meet The Parents

Cinderella x Bud — Parent Overview

Cinderella is an affectionate, gentle, charismatic, and wonderfully sweet new momma. She seeks out engagement and interaction in a soft, respectful way and seems to enjoy affection just as gently. While she certainly enjoys playing and romping like any dog, Cinderella would choose being a lap dog over just about anything else on the planet. She is an incredibly loving girl whose happiest moments are spent close to her people.

Breed: F1 Goldendoodle

Weight: 36.4lbs

Bud brings a little more eclectic energy to the pairing. He is engaging, sweet, and affectionate, but he is also outgoing, playful, bubbly, and absolutely hilarious. Bud has been known to hop around like a rabbit more than just about any other dog, and somehow it fits his personality perfectly. He approaches life as though every day is filled with sunshine and rainbows, living fully, freely, and with an infectious enthusiasm for whatever comes next.

Breed: Moyen Poodle

Weight: 42lbs

Together, Cinderella and Bud are expected to produce puppies that beautifully split the difference between their parents. We anticipate affectionate, gentle, charismatic, and incredibly sweet puppies like Cinderella, just turned up a notch with Bud's bubbly enthusiasm and playful personality. These puppies should be personable, engaging, happy, and fun while maintaining that soft, affectionate nature that makes their mother so special.
