

Meet The Parents

Wanda x Howie — Parent Overview

Wanda is a sweet, engaged, and self-assured girl with a wonderfully balanced approach to life. She seeks out attention and interaction at every opportunity, but always does so with a gentle nature. Wanda's confidence, people focus, and even-keeled demeanor make her an incredibly enjoyable and adaptable companion.

Breed: Moyen Poodle

Weight: 26lbs

Howie is an outgoing, sweet, and charming boy who simply loves being around people. No matter what the adventure may be, Howie is happy to be involved as long as he gets to experience it alongside his people. He is one of those special dogs who seems to be motivated by life itself, approaching each day with enthusiasm and an easygoing spirit.

Breed: F2 Goldendoodle

Weight: 26lbs

Together, Wanda and Howie are expected to produce puppies that closely reflect their parents—outgoing, engaging, self-assured, and wonderfully go-with-the-flow. We anticipate puppies that are happy to participate in just about anything as long as they can do it alongside their people. With mid-level energy that naturally rises with interaction, this litter should produce adaptable, people-focused companions that will be wonderful additions to engaging homes.
