

Faryn Boys Temperament Assessment

Faryn Boys Play Video

Date of Birth: 8/20/2026

Faryn Litter Temperament Overview:

Faryn and Reuben bring together a really lovely combination of **sweetness, affection, connection, and balance**. Faryn is gentle and personable, with a playful, affectionate side that comes forward once she is comfortable. Reuben brings that same people-loving nature with a calm, steady disposition—he enjoys training, walks, and play, but is equally happy settling in close for plenty of couch time and affection.

Their puppies are developing into a **curious, social, personable, happy, and beautifully balanced group**. They are gentle and engaging with their people while still showing enough independence to be comfortable in everyday life. Overall, this litter has a very easygoing quality and should transition nicely into a wide variety of family environments.

Energy is generally **mid level**, with some puppies showing a little more animation during play and interaction before settling nicely for handling. Their combination of engagement, social nature, and balanced temperaments gives them a wonderful foundation for companionship, with continued maturity expected to bring even more of their individual personalities forward.

These puppies are **Small by generation with both Small and XS weights expected within the litter**.

Faryn Blue

- **Energy Level:** Mid to Moderate — Calms for Handling

- **Personality:**

Faryn Blue is a **calm, gentle, observant, and beautifully balanced boy** with a sweet, easygoing disposition. He is confident without being pushy and approaches his environment with a thoughtful curiosity.

Blue has a particularly nice balance between connection and independence. He showed **good engagement with people** and enjoys social interaction, while also being comfortable enough within himself that he does not require constant attention. This can be a wonderful quality for families whose puppy will sometimes need to spend appropriate periods of time independently while they work or go about their day.

He is tolerant with handling and has a **mid-to-moderate energy level that settles nicely when being handled**. He has plenty of room for play, outings, and family activities, but also shows the ability to come back down and enjoy calmer moments.

Blue is a very adaptable puppy who should fit well into a **wide variety of homes**. His combination of confidence, gentleness, sociability, curiosity, balanced independence, and manageable energy gives him a wonderful foundation for everyday family companionship.

Faryn Green

👶🐾 Santa's Little Prep Student: **8-Week Doodle Prep School**

Prep School Dates: Oct 22nd - Dec 17th 2026 (8wk)

- **Energy Level:** Mid to Moderate — Calms for Handling

- **Personality:**

Faryn Green is a **calm, gentle, observant, sweet, and well-balanced boy** with an easygoing temperament. He may take a brief moment to understand a brand-new environment, but once he has had that opportunity to acclimate, his **social, outgoing, and curious personality** comes forward.

Green has a balanced level of independence along with **good engagement with his people**. He enjoys connection without needing constant attention, giving him a nice foundation for a family that wants an affectionate companion who can also become comfortable with appropriate independent time.

He is tolerant with handling and carries a **mid-to-moderate energy level that settles nicely for close interaction and handling**. He can enjoy play, activities, and adventures with his family while still having a naturally manageable side.

Green should transition nicely into a **wide variety of homes**. His 9-Week Doodle Prep School program will give him an additional head start with training, structure, socialization, and everyday puppy skills while continuing to build on his confidence and naturally balanced temperament.

- **Physical Evaluation:**

No health concerns noted.

Faryn Orange

🎅🐾 Santa's Little Prep Student: **8-Week Doodle Prep School**

Prep School Dates: Oct 22nd - Dec 17th 2026 (8wk)

- **Energy Level:** Mid to Moderate — Playful with a Nice Settle

- **Personality:**

Faryn Orange is a **calm, gentle, confident, playful, and well-balanced boy** with a happy, easygoing personality. He is confident without being pushy and brings together a really nice combination of playful curiosity and steadiness.

Orange has a balanced level of independence and showed **good engagement with people**. He enjoys being involved and connected while still maintaining the ability to be comfortable without constant attention. During handling, he was a little wiggly and animated, but remained receptive and was able to settle.

His **mid-to-moderate energy** gives him plenty of personality for play, interaction, and family activities while still allowing him to come down nicely for calmer moments. He should be a versatile companion for a family wanting a puppy who can participate in their day without needing everything to revolve around activity.

Orange should do well in **a wide variety of homes**, and his 9-Week Doodle Prep School program will further develop his training foundation, everyday manners, socialization, and ability to transition between activity and settling.

- **Physical Evaluation:**

No health concerns noted.

Meet The Parents

Faryn x Reuben — Parent Overview

Faryn has a wonderfully sweet disposition. She can be a little reserved when first meeting someone new, but once she has a chance to get to know you, her personality truly shines. She becomes playful, affectionate, and incredibly eager to please, forming strong connections with her people and genuinely enjoying their interaction and attention.

Breed: F1B Goldendoodle

Weight: 15lbs

Reuben is a stately gentleman with a wonderful balance between engagement and relaxation. He enjoys training and working and is always happy to play, romp, or head out for a nice long walk or jog, but afterward, he is more than ready for some well-earned couch time. Reuben is the kind of Poodle who leans into hugs and somehow always manages to make you feel like you haven't cuddled with him nearly enough that day.

Breed: Mini Poodle

Weight: 16lbs

Together, Faryn and Reuben are expected to produce puppies that are every bit as wonderful as their parents. We anticipate sweet, engaging, personable, and self-assured puppies with a strong desire to connect with their people. Their people-focused nature, eagerness to engage, and balanced dispositions should create excellent potential for service and therapy work. Expect mid-level energy that naturally rises with interaction, creating puppies that are happy to participate when it's time for activity while still enjoying plenty of affection and downtime with their families.
