

Versace Girls Temperament Assessment

[Versace Litter Play Video](#)

Date of Birth: 8/24/2026

Versace Litter Temperament Overview:

Versace and Slade are a beautifully matched pair when it comes to their **sweet, affectionate, gentle, and people-loving dispositions**. Versace can be a touch reserved in a brand-new environment, but she works through that adjustment quickly and returns to her personable, affectionate self. Slade has a similarly loving nature—he enjoys play and interaction, but he is happiest when he can settle in close and soak up affection.

Their puppies are developing into a **bubbly, happy, engaging, playful, affectionate, and curious group**. Several may appreciate a little time to take in something completely unfamiliar, but once comfortable, their personable and connected sides come forward beautifully.

Energy ranges from **mid to mid-to-moderate depending on the puppy**, with a nice ability to settle for handling and affection. Overall, this litter should fit well into a variety of homes, with families who are happy to give their puppy an appropriate adjustment window when entering a brand-new environment.

This litter will fade as they mature.

Versace **Pink**

- **Energy Level:** Mid — Playful & Engaging

- **Personality:**

Versace Pink is a **playful, engaging, curious, and affectionate girl** with a happy, personable nature. She showed a wonderfully interactive side during her broader evaluation and has plenty of personality once she is comfortable in her surroundings.

Pink may appreciate a brief moment to orient herself when something is completely unfamiliar, but she is able to settle on her own. Once comfortable, her **confident, playful, and engaging personality** becomes much more representative of who she is. She naturally leans toward her people, showed **great human engagement**, and was very tolerant during handling.

Her energy is a **true mid level**, with plenty of excitement for play and interaction while maintaining a balanced overall baseline. She has enough enthusiasm to be fun and involved without presenting as an overly high-energy puppy.

Pink will do especially well in a **calmer, more predictable home environment** that gives her a moment to acclimate to brand-new experiences. Her combination of **playfulness, curiosity, affection, engagement, tolerance, and balance** gives her a lovely foundation for companionship.

- **Physical Evaluation:**

No health concerns noted.

Versace Red

- **Energy Level:** Mid — Consistent & Balanced

- **Personality:**

Versace Red is a **calm, gentle, incredibly sweet, curious, and happy girl** with a soft, personable temperament. She may appreciate a brief moment to take in a completely unfamiliar situation, but she is able to settle independently and become increasingly comfortable once she understands her surroundings.

Red naturally leans toward her people and showed **great engagement and very nice tolerance with handling**. She enjoys human connection and affection while remaining gentle and respectful in the way she interacts.

Her energy is a **true mid level**, making her a nicely balanced companion for everyday family life. She has room for play, walks, outings, and interaction while still maintaining the calmer, affectionate qualities seen throughout her evaluation.

Red will do especially well in a **calmer, more predictable home environment** that allows her to acclimate naturally to brand-new experiences. Once comfortable, her **sweetness, happiness, curiosity, engagement, and affectionate nature** come together beautifully.

- **Physical Evaluation:**

No health concerns noted.

Versace White

POTENTIAL SERVICE + THERAPY CANDIDATE

Santa's Little Prep Student: **9-Week Doodle Prep School**

Prep School Dates: Oct 22nd - Dec 24th 2026 (9wk)

- **Energy Level:** Mid — Excites with Interaction

- **Personality:**

Versace White is a **bubbly, happy, affectionate, playful, and highly personable girl** with a wonderful enthusiasm for her people. She is confident and very people-oriented, actively seeking connection and affection while still remaining remarkably gentle in the way she expresses it.

White has a **strong people focus** and was one of the most engaged puppies in the litter during her evaluation. She showed excellent tolerance with handling, even when excited, and genuinely enjoys being involved with the people

around her. Her confidence, engagement, tolerance, and desire for connection give her **very good early potential for service or therapy work** as she continues to mature and develop.

Her energy is **mid level and excites with interaction**. She can become animated when people, play, or affection are involved, but this enthusiasm is paired with a notably gentle disposition. An engaging family that enjoys including their puppy in everyday life should complement her beautifully.

White's **9-Week Doodle Prep School program** will give her an excellent opportunity to channel that people-focused enthusiasm into training while developing her manners, structure, socialization, and foundational skills. It should provide a valuable head start whether she ultimately continues toward working development or simply becomes an exceptionally connected family companion.

- **Physical Evaluation:**

No health concerns noted.

Versace Pink Dot

- **Energy Level:** Mid — Engaging & Balanced

- **Personality:**

Versace Pink Dot is a **gentle, affectionate, personable, and sweet girl** with a lovely connection to people. She may appreciate a brief moment to take in something completely unfamiliar, but she is able to settle on her own and become increasingly comfortable once she understands the situation.

Pink Dot naturally leans toward her people and showed **great human engagement along with excellent tolerance during handling**. She enjoys connection and affection while maintaining a gentle, respectful style of interaction.

Her energy is a **true mid level**, with some natural excitement for interaction while remaining balanced overall. She has plenty of room for play, outings, and family activities without presenting as an especially high-energy puppy.

Pink Dot will do especially well in a **calmer, more predictable home environment** that gives her a moment to acclimate to brand-new situations. Once settled, her **affectionate, personable, engaging, and gentle nature** comes forward beautifully.

Pink Dot is also **currently trending larger within the litter**, so she may mature toward the larger end of the expected size range.

- **Physical Evaluation:**

No health concerns noted.

Meet The Parents

Versace x Slade — Parent Overview

Versace is affectionate, gentle, respectful, and oh so sweet. She can be a touch reserved, especially in new environments or around new people, but she works through that hesitation relatively quickly and returns to her naturally personable self. Versace enjoys her moments of play, but once playtime is over, you can almost always find her making her way back to the nearest lap for affection.

Breed: F1 Schnoodle

Weight: 11lbs

Slade shares a very similar disposition. He is incredibly affectionate and sweet, with a balanced and engaging nature. While he certainly enjoys being playful, Slade is most comfortable and happiest when he is being loved on. He has a gentle way about him and enjoys simply being close to his people.

Breed: Mini Poodle

Weight: 14lbs

Together, Versace and Slade are expected to produce puppies that closely reflect their soft, affectionate temperaments. We anticipate puppies that may need a brief adjustment window in new environments, but once comfortable, should blossom into incredibly sweet, gentle, and personable companions. Energy levels are expected to range from mid to potentially mid-moderate, with puppies that settle nicely for handling and affection. This litter should be a wonderful fit for patient homes looking for a loving, connected companion.
