Meet the Parents

Brooke x Stark — Parent Overview

Brooke is a beautifully balanced, outgoing, and engaging girl who represents the next generation of Smeraglia F1 Goldendoodles in both appearance and temperament. She has a remarkable ability to match the energy of the person she is interacting with, rarely becoming too excited or too reserved. This natural adaptability is something truly special and allows Brooke to connect with people in a way that feels effortless. Her steady, personable nature makes her an exceptional example of the qualities we strive for in our program.

Breed: F1 Goldendoodle
Weight: 64lbs

Stark shares many of those same wonderful qualities. He is outgoing, self-assured, and incredibly well-balanced, with a happy-go-lucky approach to life. Stark is open to just about anything and everything, embracing new experiences with confidence and an easygoing attitude. His naturally steady disposition and willingness to engage make him an incredibly enjoyable and adaptable companion.

Breed: Moyen Poodle
Weight: 44lbs

Together, Brooke and Stark are expected to produce puppies that beautifully reflect their parents' exceptional temperaments. We anticipate outgoing, sweet, personable, and remarkably balanced puppies with a natural ability to adapt to the people and environments around them. Energy levels should remain consistently mid-level, without significant fluctuations in excitement or activity. With their steady dispositions, confidence, and strong people-oriented nature, this litter should produce wonderfully versatile companions that are excellent matches for a wide variety of homes and lifestyles.
