Jessa Girls Temperament Assessment

Jessa Girls Play Video

Date of Birth: 9/23/2026

Jessa Litter Temperament Overview:

Jessa and Tux bring two wonderfully complementary personalities to this pairing. Jessa is **sweet, outgoing, personable, charming, happy, and unexpectedly gentle**. She works hard to earn your attention, but once she has it, she is perfectly content settling into your lap. Tux brings the comedy. He is **bubbly, bouncy, goofy, endlessly playful, and larger than life**—the kind of dog who seems naturally motivated simply by being awake and included in the fun.

Their puppies are showing a beautiful blend of both parents. Overall, this litter is **well-balanced, curious, social, playful, engaged, and incredibly affectionate**. They are naturally drawn to people and genuinely enjoy connection, attention, and interaction.

There are also several promising working personalities throughout the litter. Their people focus, confidence, engagement, affection, and handling tolerance create **great early foundations for Service and Therapy work**, with individual strengths varying between puppies.

Most of the litter falls around a **mid-level energy**, with a few more animated personalities that rise toward moderate with interaction. There truly is something for a wide range of families here—from balanced, adaptable puppies who can comfortably entertain themselves to highly interactive personalities looking for an active role in family life.

Jessa Pink

POTENTIAL SERVICE + THERAPY CANDIATE

• **Energy Level:** Mid — Consistent & Balanced

• **Personality:**
Jessa Pink is a **balanced, gentle, sweet, engaged, social, curious, and happy girl**. Although she was active during her initial handling evaluation, her complete temperament assessment shows a consistent mid-level energy and a nicely balanced overall presentation.

Pink is confident without being pushy and is naturally people-focused. She shows great human engagement while also demonstrating the ability to **self-entertain**, giving her a useful balance between connection and independence.

She showed **incredible tolerance with handling**, one of the strongest qualities in her evaluation. That tolerance pairs beautifully with her gentle nature, confidence, and strong engagement.

Pink showed **great early potential for both Service and Therapy work**. Her confidence, people focus, exceptional handling tolerance, engagement, balanced energy, and social nature create a promising foundation for continued working development.

She should be a wonderful fit for **a wide variety of homes**, including families looking for an affectionate and engaged puppy without needing an especially active lifestyle.

• **Physical Evaluation:**
No health concerns noted.

Jessa White

POTENTIAL SERVICE + THERAPY CANDIATE

• **Energy Level:** Mid — Consistent & Balanced

• **Personality:**
Jessa White is a **gentle, sweet, balanced, personable, social, curious, and happy girl**. She showed a normal response during her initial handling evaluation and has a naturally easy, balanced overall presentation.

White is confident without being pushy and has a clear people-oriented preference. She shows great engagement and enjoys connection while also being capable of **self-entertaining**, giving her flexibility within everyday family life.

She demonstrated **incredible tolerance with handling** and maintains a consistent mid-level energy. Her temperament combines gentleness and connection with enough independence to remain comfortable when she is not the center of attention.

White showed **great early potential for both Service and Therapy work**. Her confidence, handling tolerance, people focus, engagement, balance, and adaptable energy create a promising foundation for continued working development.

She should do well in **a wide variety of homes**, making her one of the litter's more flexible personality matches.

• **Physical Evaluation:**
No health concerns noted.

Jessa Pink Dot

POTENTIAL SERVICE + THERAPY CANDIATE

• **Energy Level:** Mid — Consistent & Balanced

• **Personality:**
Jessa Pink Dot is a **very sweet, cuddly, affectionate, personable, confident, curious, social, and happy girl**. She has an especially affectionate quality while still maintaining the balanced overall temperament seen throughout much of this litter.

Pink Dot is confident without being pushy and naturally people-focused. She shows great engagement and genuinely enjoys being connected with her humans, but she can also **self-entertain appropriately**, giving her a nice balance between affection and independence.

She demonstrated **incredible tolerance with handling**, complementing her cuddly nature especially well. Her energy remains consistently mid level, allowing her to be playful and interactive without requiring an especially active household.

Pink Dot showed **great early potential for both Service and Therapy work**. Her confidence, affection, exceptional handling tolerance, people focus, engagement, and balanced energy create a promising foundation for continued working development.

She should do beautifully in **a wide variety of homes**, especially with a family that appreciates a cuddly, connected puppy who can also settle into everyday life.

• **Physical Evaluation:**
No health concerns noted.

Jessa Red Dot

⭐ Prep Student: **8-Week S.T.A.R. Puppy Program**
Prep School Dates: Nov 19th 2026 - Jan 14th 2027 (8wk)

POTENTIAL SERVICE CANDIATE

• **Energy Level:** Mid to Moderate — Excites with Interaction

• **Personality:**
Jessa Red Dot is a **gentle, easygoing, affectionate, engaged, confident, eager, and highly people-oriented girl**. She showed a normal response during her initial handling evaluation and combines a gentle underlying temperament with a more enthusiastic interactive side.

Red Dot is highly confident and can be **assertive in that confidence**. She is strongly people-focused and shows excellent engagement, naturally seeking out connection, interaction, and play.

She is very tolerant of handling, although she becomes quite excited by the attention itself. Her energy sits between mid and moderate and **rises with interaction**, making her one of the litter's more animated personalities.

Red Dot showed **great early potential for Service work**. Her confidence, excellent engagement, people focus, affection, tolerance, and motivation create a promising working foundation as she continues developing.

She will be best suited to an **active and engaging home** that wants a puppy who seeks participation and connection. Her 8-Week S.T.A.R. Puppy Program will provide additional time for training, manners, socialization, and channeling that enthusiasm productively.

• **Physical Evaluation:**
Red Dot's teeth are currently **delayed in development**, meaning they are simply coming in a little later than expected. This can occur during normal puppy development and will continue to be monitored as she matures. She has been veterinarian-cleared.

Jessa White Dot

⭐ Prep Student: **4-Week Starter Puppy Program**
Prep School Dates: Nov 19th - Dec 17th 2026 (4wk)

POTENTIAL SERVICE + THERAPY CANDIATE

• **Energy Level:** Mid — Consistent & Balanced

• **Personality:**
Jessa White Dot is a **curious, personable, sweet, playful, confident, social, and happy girl**. She showed a normal response during her initial handling evaluation and presents as a nicely balanced puppy with an engaging, playful personality.

White Dot is confident without being pushy and naturally people-focused. She shows great human engagement but can also **self-entertain appropriately**, giving her a useful balance between connection and independence.

She demonstrated **incredible tolerance with handling** and maintains a consistent mid-level energy. She is playful and curious without requiring an especially active household to meet her everyday needs.

White Dot showed **great early potential for both Service and Therapy work**. Her confidence, people focus, exceptional handling tolerance, engagement, curiosity, and balanced energy create a promising foundation for continued working development.

She should do well in **a wide variety of homes**. Her 4-Week Starter Puppy Program will provide additional training, manners, socialization, and continued development before joining her family.

• **Physical Evaluation:**
White Dot's teeth are currently **delayed in development**, meaning they are simply coming in a little later than expected. This can occur during normal puppy development and will continue to be monitored as she matures. She has been veterinarian-cleared.

🧬 Meet The Proud Parents!

Meet the Parents

Jessa x Tux — Parent Overview

Jessa is an incredibly sweet, outgoing, personable, and charming girl with a wonderfully happy disposition. She is surprisingly gentle in her approach to affection, despite her enthusiasm for earning attention. Jessa will happily work to make sure she is noticed, but once she has your attention, she is more than content to settle into your lap and soak up every bit of love. Her combination of playful engagement and gentle affection makes her an exceptionally endearing girl.

Breed: F1B Schnoodle
Weight: 42lbs

Tux on the other hand, brings an entirely different level of enthusiasm to the pairing. Reserved and bashful are two words that would never be used to describe him. He is bubbly, bouncy, goofy, endlessly playful, and truly one of a kind. Tux has a flair for the dramatic in the most lovable way, approaching every moment with an infectious excitement for simply being alive. He is motivated by life itself and has a personality so wonderfully unique that there truly may never be another dog quite like him.

Breed: F1B Goldendoodle
Weight: 40lbs

Together, Jessa and Tux are expected to produce puppies that are every bit as fun and full of personality as their parents. We anticipate outgoing, playful, sweet, and incredibly engaging puppies that are wholeheartedly devoted to earning attention and affection from their people. With Jessa's gentle, loving nature and Tux's bubbly confidence and enthusiasm, this litter should have wonderful potential for service-style temperaments. Energy levels are expected to range from mid to moderate, naturally rising with excitement and interaction before settling nicely for handling. These puppies should be especially well suited for engaging homes looking for an affectionate, entertaining, and deeply connected companion.
