Meet the Parents

Juniper x Jamison — Parent Overview

Juniper is an incredibly loving, affectionate, and engaging girl with one of the gentlest dispositions imaginable. She seeks out love and attention at every opportunity, but does so with a wonderfully calm and respectful nature. Juniper carries a mid-level energy that somehow settles even further during handling, making her a true gentle giant. Her soft, affectionate personality and natural desire to be close to her people make her an exceptionally endearing companion.

Breed: F1 Goldendoodle
Weight: 57lbs

Jamison brings a little more confidence and playful enthusiasm to the pairing. He is outgoing, self-assured, and affectionate, approaching everything he does with genuine passion and excitement. Whether he is romping around, playing, or engaging with his people, Jamison puts his whole heart into every interaction. His confident, fun-loving personality and strong desire for connection make him an incredibly enjoyable boy to be around.

Breed: Standard Poodle
Weight: 64lbs

Together, Juniper and Jamison are expected to produce puppies that beautifully balance the best qualities of both parents. We anticipate sweet, affectionate, engaging, and interactive puppies with Juniper's gentle, people-oriented nature complemented by Jamison's confidence and playful enthusiasm. With balanced, mid-level energy and a natural desire for affection and interaction, this litter should have wonderful potential for therapy work. Their adaptable temperaments and loving personalities should make them exceptional companions for a wide variety of homes looking for a devoted, personable, and well-rounded addition to the family.
